#### WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning

**WAKE UP YOUR LIVER BILE—**  
And You'll Jump Out of Bed in the Morning  
Morning Rarin' to go  
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks punk.  
"A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of colored but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

#### LADY EDITOR ENJOYING WEST

Miss Ann Grant of Calgary Visits Terrace and Prince Rupert and Has Good Holiday

"The flowers at Prince Rupert are so colorful. This is the only place where I have had flowers in my hotel room except at Salmon Arm where the room was decorated with apple blossoms". That was the farewell of Miss Ann Grant, women's editor of the Calgary Albertan, who has been visiting the city for a few days.

Last evening she climbed Mount Oldfield with Miss Jean Harrison R.N., lady superintendent of Prince Rupert General Hospital, and enjoyed the sunset from that vantage point. She also visited other points of interest but she was particularly pleased with the gardens which were gay with flowers.

Miss Grant spent a week of her holiday at Terrace and she says she enjoyed it immensely. She went there without knowing anyone and had a grand time. She stayed the week with Mrs. Elwood Brooks and visited with Mr. and Mrs. R. L. McIntosh at "The Crossways", at the Pioneer Farm with the H. L. Franks and with Mr. and Mrs. Will Robinson. She climbed her first mountain, visited Lakelse Lake, picked fruit from the trees and enjoyed every minute of her visit. She particularly enthused over the beautiful McIntosh garden.

At Prince Rupert Miss Grant enthused over "the wonderful harbor" and reluctantly is planning to leave this evening by train, having been unable to secure accommodation on the boats.
