NEW RATES OF TARIFF

Canadian-American Trade Agreement Comes Into Force Next Week

was negotiated in November, will become effective on Sunday. An upswing in trade is expected to be the immediate result following recent falling off in business pending the coming into effect of the more favorable rates.

The removal of the three percent excise tax on American goods coming into Canada cannot be actually effected until it has been ratified by Parliament which will, probably be in connection with consideration of the budget, probably early in February.

'XMAS MAIL WAS HEAVY

anada's Postal Movement This Yuletide Estimated to Have Been Largest on Record

OTTAWA, Dec. 28: (CP)-Early estimates by officials of the Post Office Department indicate that Canadian Christmas mail this year was the heaviest on record but i was handled with promptness and There was a large mail the United Kingdom on Christmas Eve.

the Fraser Valley east of here crippled highway traffic temporarily and slowed down telephone and telegraph communication when both lines and poles were ripped down by ice. The damage is now mostly repaired.

MANY MINERS ENTOMBED KIRKLAND LAKE-More than one hundred miners are digging from both ends of a slope on the

Lake Shore mine in an attempt to rescue two men who were trapped more than 2,400 feet underground following an air explosion last night. The rescuers were reported to be about forty feet from the entombed men at noon today. There is no way of knowing whether the unidentified miners i

are dead or alive.

FOUR YOUNG PEOPLE LOST VANCOUVER -- The police here have been asked to search for four Vancouver young people who have been missing since Monday on a fifty-mile automobile trip to Harrison Hot Springs in the Fraser Valley. The four are Herbert Frew, his sister, Violet, Russel Harris and Doris Fox-Decent. There is a possibility that the small automobile is snowbound.
