Halibut Landings Light This Week and Prices Show Improvement—This Year's Volume Nearly Up to Last Although Opening Was Later

After two or three weeks of very heavy offerings, wears navy by day, ice blue and stopped in a traffic jam, she spied halibut landings at the port of Prince Rupert during the slightly deeper shades by night in a shop window a hat that she week ending yesterday were rather light at a total of but Wine red and white are also among liked. She popped out of the taxi, 288,300 pounds of which 176,800 pounds was from nineher choices from the color card, into the shop, bought the hat and teen Canadian boats and 111,300 pounds from eight American vessels. With the landings lighter, prices showed

a slight improvement. For Canadian fish the high price of the week was 7c and 4c which the Atli and Joe Baker received for catches of ACTIVE IN Joe Baker received for catches of 14,000 and 5,000 pounds respectively. For Canadian fish the low price of the week was 6c and 4c which a number of boats received. The top price of the week for American fish was 7.7c and 5c, paid the Sirius for 12,000 pounds, and the low 6.9c and 5c which the Coolidge received for Duke of Devonshire's Career Was 26,000 pounds. The grand total of landings for the 1938 up to and including yesterday totalled 2,228,-500 pounds as compared with 2,- LONDON, May 7: (CP) -917,500 pounds up to a correspond- Throughout his career, so far as it ing date in 1937 when the season embraced the war years, the late opened a couple of weeks earlier Duke of Devonshire, former Govthan it did this year.
