Slight Rise Experienced Saturday After Week's Declines

NEW YORK, Aug. 23- Further faint rallying signs were present on Saturday's stock market but rising vigor was lacking in most departments. Motors, steels, rubbers and a few rails responded to quiet bidding with advances of fractions to round a point at best. Continuance of moderately bright business prospects, brokers said, was the main buoying influence for the list. Bond market trends were mixled in dull trading.
