# TO DEVELOPING RESOURCES

This District Has the Goods in Potential Natural Wealth -Is Up To People to See That World Is Informed of Opportunities Hereabouts

Cognizant themselves of the great undeveloped wealth of natural resources which surround Prince Rupert and upon the development of which the future of the city is dependent, it is up to Prince Rupert people to let the world the week. Members of the party know of these resources so that they may receive their just and due recognition and the financial assistance re-

PARSONAGE ROBBERY

The provincial police are bringing in today from Port Simpson an Indian who has been committed for trial on a charge of breaking and entering the United Church parsonage at Port Simpson and taking between \$60 and \$70 in cash. The Indian is said to have spent the money in gifts. There is also a case at Port Simpson involving two juveniles on breaking and entering charges.

TWO GIRLS MISSING

After an extensive search, city police, up to this afternoon, had not located two girls-Bernice White, aged 16, and Hazel Hevenor, 17-who left their homes on Monday afternoon. The two girls ed December 15, 1937. are reported to have been last yesterday morning. The search is continuing.
