MAE WEST

'Every Day's a Holiday" and "International Settlement" Showing at Capitol Theatre

"Every Day's A Holiday," a story of the gay nineties and the naughty hundreds in New York with Mae West as the featured player, and 'International Settlement," a picture dealing with the adventures of a free lance American pilot in China during the war, comprise a double bill program being presented at the first of this week at the Capitol Theatre here.

In "Every Day's A Holiday" Miss West plays the part of a hardboiled lass who is torn between desire on the part of Walter Catlett to star her in a new revue and the insistence of Edmund Lowe, a captain of detectives, that she get out of New York because of an alleged! deal in which she sold the Brook- | + lyn Bridge to a would-be millionaire. It is an original story by Miss West herself. The cast of support-1 ng players includes Charles Butterworth, Charles Winninger, Lloyd + Nolan, Herman Bing, Chester Conk- + lin and others.

Don't Keep on Having Constipation!

If constipation's got you down-so you feel heavy, tired and dopey— it's time you did something about it. And something more than taking a physic! You should get at the cause of the trouble.

If you eat only the things most people do, the chances are that a very simple fact causes your constipation-you don't get enough "bulk." And "bulk" doesn't mean heavy food. It means a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement. If this is your trouble, eat crisp

crunchy Kellogg's All-Bran for breakfast every day and drink plenty of water. All-Bran is not only rich in "bulk"-it also contains the natural intestinal tonic. vitamin B₁.
