DAILY EDITION

Monday, June 6, 1938.

EXTENSION POLICY Following out the policy which was laid down twenty years ago, the publisher of this paper will leave this ev- garden areas are gradually spread

ening for a tour of the interior for the purpose of getting ing out such as is noticeable on in touch with the people of the country cost of boxes. in touch with the people of the country east of here, dis- spencer, the genial railway concussing with them mutual problems and telling of any im-ductor, is this year beginning to provements they may have made since last year. It will compete with his neighbor, Billy be a somewhat leisurely trip as far east at least as Prince Reid. He has done a lot of work on George, calling at the most important points and possible his place this year and is showing George, calling at the most important points and possibly good results already. Roy Nicholls continuing to McBride.

By telling of the activities of the people of the inter- along that section of the street ion and discussing mutual problems we get to know each there is excellent work being done other better and thus learn how we may help each other. Further up Fifth Avenue the We have always urged Prince Rupert people to buy in-Balagno and Fulton gardens make terior products wherever possible for the progress and a nice combination, the two being development of the country districts means the steady so arranged as to look almost like and sound development of the city. Each depends on the Campbell and Steve King are both other for its success. We hope to meet a great many peo- making noticeable improvements ple and discuss with them many problems.

MR. BENNETT AGREES

Of course Right Hon. R. B. Bennett agrees with the In the C. N. R. gardens an artisgovernment that it would be impossible to scrap five tic shelter has been erected over thousand miles of railway. We doubt if even five hund- the huge section of a Queen Charred miles can be closed down unless it is where rival lines lotte Island spruce tree, adding shire captain, is retiring from exactly parallel each other. We also agree that it would ists who are out looking for the ticipation in the game would prebe inadvisable to eliminate any steamship services. What unusual. we shall be needing soon will be more services instead of fewer. We are very glad this is not being made a political question and that the scheme to cut down the loss on Prince Rupert people are in the the railways by eliminating services is likely to be defin- discovery of novelties. This year itely and permanently ruled out of all future discussions, have come across so many growers

HENRY GEORGE POLICY

In the carrying out of the Henry George Policy of here. I have also noticed seedlings making the land bear all the taxes in the municipalities, of leptosyne, the new blue Sweet large areas of land are now owned by the municipalities. William, and a number of others Having that in mind, the Henry George Club of Victoria and many other rather uncommon Danish girl swimmer, who already lotte Islands Land District.

Two years will be allow has sent out to the municipalities a circular letter in which flowers are being grown or tried it is stated that cities of this province are in an enviable out for the first time. position in regard to housing because they have these re- seeing the beautiful gloxinias i verted lands crying out to be built upon and there are in the window of a local florist remany cases no improvements needed before this can be minds me that George Johnstone done. They suggest that these lands be leased to those of this city is quite a connoisseur wishing to build instead of selling, the lessee paying five of this flower, raising a number over the Birkdale course near per cent of their value with periodic adjustments.

We do not think this system would appeal to British of doors. They are very brilliant Columbians who like to own their homes outright. It is certain it would not adapt itself to the home building plan

at present being initiated.

ture reading.

decided to hold a guild picnic in again by the Cincinnati Reds while the near future. It is also planned the Chicago Cubs were trouncing; to have a congregational social to the Phillies again to take over top hear reports of the United Church conference in Vancouver.

vailed and there has been very Browns. little gardening done during the Week-end Big League scores were past week with the exception of as follows: planting out seedlings. Most of the planting is now completed and hardy plants are growing rapidly while those that do not like cool weather have made little progress.

It is noticeable that, not only have new people joined the ranks 5.00 of the horticulturalists, but those 12 who have been gardening for some .50 years are extending their activities

as never before. One such garden 3.00 is that of Frank Warne, secretary on of the Horticultural Society. His place on Tenth Avenue near Conrad Street is developing splendidly. .02 He has a nice little greenhouse

.25 two cold frames in which he raises his own seedlings and is now growing some tomatoes for his own use. At the back of his garden he has a high rockery and the nucleus of a collection of rock plants. He must have worked hard at it to get such excellent results.

It is interesting to note how the is also making improvements. All
