To Observe Anniversary

Kitkatla Laying Plans to Honor Chief and Mrs. Edward Gamble at New Year

KITKATLA, December 23— The village of Kitkatla is already making preparations for a great celebration on January 2 in connection with the observance of the twenty-fifth wedding anniversary of Chief E. H. Gamble. The Excelsior Club is taking the leading part in arrangements for the celebration which will be one of the biggest events ever staged in the village. Chiefs, relatives and friends from other villages are expected to come to Kitkatla to take part in the festivities of the occasion which will be featured by a big banquet and in connection with which they will also be sports events.

Chief and Mrs. Gamble were united in marriage at Bella Bella on January 1, 1913, by John Pauline then registrar of the district of Comox-Atlin. Mr. Gamble, who was born in Kitkatla, is now sixty-eight years of age. The daughter of Mr. and Mrs. James Starr, Mrs. Gambe was born at Bella Bella fifty-six years ago. Among those who attended the wedding were H Humchit and M. Sciya of Bella Bella, both of whom are expected to attend the anniversary celebration.

SMITHERS

The Smithers Brass Band will carry out its regular annual function on Christmas Day by visiting the Smithers Hospital and playing a concert for the patients and staff. After the concert the band will sing Christmas carols accompanied by an orchestra formed from a section of the band. This event has come to be a regular institution. It has been carried out every year since the big new hospital under the Sisters of St. Ann has been in existence and it has been greatly appreciated by those who are obliged to spend their Christmas there. The band has been considerably augmented recently by the addition of new members and the training of recruits and now numbers 25 musicians who, under Bandmaster John Gray, are quite able to put on very enjoyable concerts.

Gerald Stephens, who is a member of the staff of one of the branches of the Royal Bank of Canada in Vancouver, and Pat Downey, who is a student at the University of British Columbia, both arrived home yesterday morning to spend their Christmas holidays with their parents in Smithers.

The Christmas concert which was put on a few nights ago in the Catpitol Theatre by the public school under the direction of Mrs. L. B. Warner and Principal A. D. Jones, was one of the most successful of its kind ever undertaken here. The theatre was filled on both nights that the concert was on and the financial results were very gratifying to those in charge. It will go a long way to provide the requirements of the school in the way of sport for the coming year.

Would Make Silver Dollars From Metal Mined In Canada

ALICE ARM, Dec. 23.—Resolutions from this association were recently forwarded to the federal and provincial representatives, urging the purchase of Canadian-mined silver and converting it into silver dollars.

It is the opinion here that such a move would give a much needed stimulant to northern industries and would place many unemployed back into profitable employment.
