PALESTINE AND GERMANY

We should have said that Palestine was taken by the Allies during the war with Germany. Years ago the Kaiser made a sort of triumphal entry into Palestine where a palace had been built for him and where it is understood he had a throne on which he sat when he received the Arab visitors. German influence at that time prior to the war was strong in the Holy Land.

REGULATE OWN INDUSTRY

The halibut men are making a big effort to regulate their own industry. They are not finding it an easy job, for there is diversity of views and diversity of interests. Prince Rupert, as the pivotal point in connection with the industry is naturally very much interested in seeing the halibut fisheries perpetuated and at the same time seeing the fishermen prosper.

OPENING OF NEW CHURCH

The opening of a new church in a community is always important but especially so in a small community like Port Simpson where a church was opened this week largely as a result of community effort. To these people it means a great thing. Not only do they worship together in the new building but it becomes a centre of many social activities. To many people it is the greatest thing in their lives next to their homes and families.

The native peoples are keenly religious. Also they are very musical and this music and religion seem to fit well together. Music is a means of religious expression. It is a means of the highest enjoyment the world provides. Doubtless, music will be one of the features of religious worship at Port Simpson in connection with the exercises in the new church building. We congratulate the people of the neighboring village on their stability of purpose in carrying out this work.

NOTHING IS GOOD

To a few people in Canada nothing is good. The moment anyone sounds a cheery note there is a discordant denial or an unpleasant sneer. Nothing has been is or will be good. There is no hope. We feel very very sorry for people of that type. We wonder how they manage to exist. Life must be a burden to them.

Valentine High School Dance

One Hundred and Fifty-Five at Delightful Party Last Night

The annual High School Valentine dance last evening in the Odd-fellow's Hall was a pronounced success. About 145 students were present for this, the second dance of the year. The decorations, consisting of red and white streamers and multi-colored balloons, were very festive. Traditional emblems of "Dan Cupid" ornamented the walls. Russell Cameron, Don Eastman and George Brown provided excellent music.

During the supper hour, Mario Busanleh, Peter Brass and Allan Burbank, with Miss Frances Moore at the piano, entertained the students. This quartette was followed by a tap dance by Miss Ellen Mair and Henry Montesano. Both these items were enthusiastically received. The novelty of the evening was a display of the popular dance number "Big Apple." A group of high school girls bravely volunteered to give this exhibition.

Members of last year's matriculation class were guests of the evening. Maurice Davey, on their behalf, thanked the Students' Council for the kind invitation.

The leaders of the dance committees were Alan Kergin, president of Students' Council, Helen Lachie, vice president, and Fred Barber, treasurer.

Patrons of the dance were Mr. and Mrs. Arthur Suttin, Mr. and Mrs. Charles Hayward, Miss M. Laing, Miss Irene Mitchell, Miss Barbara Daniels, Miss Irene Hodgson, Dr. Hugh Morrison, Robert Yerburgh, William Mount and D. Mitchell.
