Canadian Victory at Amiens Was Black Day for Enemy Army and Leaders Urged Immediate Peace

> By CAPT. W. W. MURRAY, M.C. Canadian Press Staff Writer

Twenty years ago tomorrow Canada with tumultuous acclaim from sea to sea heard the news of the armistice ending the war in which, during its sanguinary four years, hundreds of thousands of her sons had been en-

village in the Champagne district of France the armistice was signed at five o'clock in the morning of November 11, 1918. Rethondes, STIFFENING where this momentous document was accepted by the defeated army, had no spot in the world's gazetrecalled as the place to which the Two New Major Engagements In German emissaries came on November 8, 1918, to sue for peace.

Twenty years later, in 1938, with the fruition of the new German's military preparations and the re- major engagements appear to be further pillaging of Jews and establishment of another great war developing along the Canton-Han- their property. machine, considerable effort has kow railway line in the Sino-Japbeen expended in the Reich to as- anese war-one near Changsha and sert that the German army of the the other in the vicinity of Hen-Great War was not defeated in the yang.
