Business at Last Night's Meeting Bob Gibson. Largely of Routine Nature

To a large extent business at last night's regular monthly meeting of the board of directors of the Prince Rupert General Hospital was of a routine nature. Those present were G. P. Tinker, chairman, Mrs. H. L. Landry, Frank Dibb, G. V. Wilkin son and W. O. Fulton, directors, and H. W. Birch, managing secretary. July 28.

·Correspondence included a communication from the Bennett & White Construction Co. showing detailed estimates of costs on the new hospital building and letters from Hon. F. M. McPherson, minister of public works, and the chief engineer and architect of the Department of Public Works in connection with the new hospital. The New Laundry wrote again asking for a chance to do the hospital laundry work, this being referred to the house com-
