MISCHIEVOUS YOUNGSTERS

City Workman Hurt by Stone Dropped Down Manhole

While J. Park a workman employed by the city engineering department to assist in the sewer inspection and other sewer work now going on, was engaged in work at the bottom of one of the manholes on Fraser street on Thursday afternoon, his head was badly cut and he was stunned for a minute or two by a stone dropped down upon him by some mischievous youngsters above.

Fortunately there was not much water at the time in the sewer or there would have been danger of his drowning when he lost consciousness. As it was the blow was an exceedingly painful one and the cut bled a good deal. Park treats the matter lightly, and thinks that if only he had had time to get up and identify the youngsters a little salutary chastisement at home would have been enough to teach them the error of their ways.

All the same the mischief might have resulted in serious injury, and the police in their vigilance on the track of truants are paying special attention also to youngsters who do mischief.

TO TELL MILLIONS

Earl Grey's Rifles He was particularly interested in Prince Rupert's own Regiment Earl Grey's Rifles, and took away with him photographs of the corps, and its officers, with the story of its start and progress.

Visited Cold Storage A visit to the Cold Storage Co.'s building which is making rapid progress impressed Mr. Campbell with the importance of the fishing industry of Prince Rupert, and armed with the facts concerning the commercial prospects and harbor facilities of the city, he will boost Prince Rupert to good purpose.

Returning now to confer with the Government Publicity Agent at Winnipeg, Mr. Campbell is likely to continue his work for the Dominion in the old land as lecturer. Amongst the newspapers in which his articles have been appearing are the London Regiment, the seven dailies, weeklies and magazine weeklies of the "Courier" group of publications sent out simultaneously from Fleet street, London, and their offices in Glasgow, Dundee, and Aberdeen, Scotland, also the Glasgow Evening and Weekly Times, and a number of papers circulating in the agricultural districts of Scotland and England.

STRIKES ARE ON IN PORTUGAL

Anti-Republican Feeling Shown at Oporto May Affect Lisbon (Canadian Press Despatch) London, May 22.—The strikes in Northern Portugal are very serious today. Anti-Republican feeling is keen at Oporto, where the disturbances have been worst, since the revolution. There are signs that strikes will spread to Lisbon and embarrass the government.

Sidney Hatch of Chicago, three times winner of the Missouri Athletic Club's annual Marathon, has won the event again. His time was 3:40:56. The record of the course, 2:49:10, was made by Joe Erleben of the M. C. A. in 1903. Erleben finished a poor third today.

A classified advertisement will help your business to grow big enough to use display advertising!

A classified advertisement—telling what you want or what you have to offer—will be read by most of those for whom it is intended.

A classified advertisement will find the way for you to "the right pay-roll."

A classified advertisement will introduce to each other the next buyer and the next seller of property in this town.

A classified advertisement, carrying a message of any importance, will almost always bring "the answer."

Uncle Jerry's New List

Carpenters are getting busy on residences all over town but even with this building activity it will be some time before the demand for dwelling houses and apartments can be supplied if it ever is, because of the number of new people arriving with the object of making homes here. My correspondence upon this subject with parties now on the outside is constantly increasing so I make an especial appeal to those having apartments and houses to rent or for sale to immediately list them with Uncle Jerry.
