WILL CHALLENGE THE VICTORS

Longshoremen Confident They Can Beat at Tug of War

The brawny-armed men who compose the Longshoremen's Union are quite sure they can pull any team round town that dares to get on the other end of a rope with them.

As they will be busy working tomorrow they are unable to enter a team in the tug of war contest, but it is on the carpet that they will challenge the winning team to meet them on Dominion Day.

LOTS OF BEER ARRIVED TODAY

Henriette Brought Eight Hundred Barrels of It in

The record cargo of beer—eight hundred barrels of it—arrived in Prince Rupert this afternoon on the Henriette. The largest shipment heretofore was a little more than half that quantity.

A few weeks ago, the Blue Funnel liner Antiochus brought two of her immense hatches loaded to the decks with beer, spirits and wines from England to Vancouver, a record cargo of intoxicants to the Coast.

SAY THEY WERE MISLED

Men Sent from the South Could Not Find Work

There are a number of gangs of men round town, who have munched it in from up the line. They say they were sent up by employment agencies in Vancouver, who told them there was a great scarcity of labor up the line.

Classified - Advertisements

One of the best services the modern newspaper gives the public is in the classified advertisement columns. There buyer and seller, employer and worker, landlord and tenant, and a host of others meet on common ground.

IN CASE OF A DRY SEASON

Steps to be Taken Quickly by the Council to Ensure Supply

Winter is over and with it the winter water problem in the city, but summer is rapidly approaching and with it comes the summer water problem which is almost as bad.

The cost of this work would probably be only \$5000, and at last night's council meeting there was a very strong opinion that the work should be put in hands right away.

"GEORGE" IS DEAD

Arthur Little's Favorite Spaniel Is no More

There is a spirit of melancholy brooding over Arthur Little's news stand today. "George," the brown spaniel, for long the inseparable companion of Mr. Little is dead.

Only on Saturday, Mr. Little had the dog's photograph taken, standing on a box, peering over his owner's shoulder.

STRIKE NO PLEA FOR EXTENSION

Contractors Pleading Strike to Escape Penalty Clause

"No mercy," says Alderman Hilditch, "is to be shown to the contractors who want extension of time." Last night in a report of the streets committee adopted by the council all responsibility for the strike was entirely disclaimed, and no extension of time will be granted any contractor on that score.

Applications for extension were made by S. H. Watson and J. R. Morgan. Watson will get two weeks' extension on account of difficulties due to minor city delays and special causes, but none on account of the strike.

ALD. CLAYTON IS PUZZLED

However Does the Engineering Department Do It?

There was a culvert built in this city on Third avenue, and Alderman Clayton has been greatly mystified over it. For according to Alderman Morrissey this is one of the exploits of the engineering department. Some valiant Knight of the Transit set about the building of that culvert wall upon a foundation of sand.
