**SPEED BOAT AND THE BALL TEAM REACHED PORT THIS MORNING**

This morning the Anyx ball team arrived on the Granby Company's boat, and they expect to play the Prince Rupert nine today. They deny any claim to the championship of Northern B. C., but they have an idea that they may lower the colors of the local men when they meet.

The team brought along a speed boat, one that is reputed to make anything from twenty to fifty miles an hour. Whatever the boat may do they think the boat is a winner. According to rumor it is the fastest thing that has ever invaded these waters.

**SAVE YOUR SIGHT**

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from ill, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

Members of the Prince Rupert Rowing and Yacht Club take notice: The Club is not responsible for boats not properly moored with strong ropes.

At the waterfront this morning near the Rupert Marine an Indian trolling boat was submerged, except for part of the cabin and the masts. The boat had gone dry and tipped over at low tide and then when the waters started to rise it filled rapidly.

The S. S. War Company which has been loading lumber at the boat dock here for the past few days returned to the south this morning. She has been loading the lumber which was left by the Imperial Munitions Board here. Excellent speed was made in the handling of the lumber.

Alex. Manson, M. P. P., who has just returned from escorting the Minister of Finance and the Minister of Education through his constituency, says that the visitors were very much impressed with the fine country. They travelled on freight trains and motor cars to Prince George with a side trip to Francois Lake.

Last night in the St. Andrew's Hall an Indian dance was given under the auspices of the Port Simpson orchestra. Many were in attendance and the dancers continued the festivities until late in the evening. When the event was over the streets were crowded with the joy-makers returning to their residences. It is reported that more Indians than ever before are attending the exhibition this year and they all seem to have money to spare.
