POPULAR COUPLE
MARRIED TODAY
AT ROYAL MILLS

Miss Margaret Allen Becomes the
Bride of Jack Edwards, Local
Real Estate Man.

The wedding took place today at 1 o'clock at the family home at Royal Mills, Pitman Spur, of Miss Margaret M. Allen, daughter of Mr. and Mrs. R. E. Allen to Jack A. Edwards of this city. The ceremony was a quiet one and only the relatives of the bride and immediate friends were present. Rev. Father McCreath was the officiating clergyman. Miss Kathleen Allen was bridesmaid and E. C. Gibbons of this city, groomsmen.

Both bride and groom are well known and popular in this city and are esteemed members of the younger set. Mr. Edwards is a member of the brokerage firm of McCaffery, Gibbons & Doyle and is a returned man. Mrs. Edwards went to school here and was afterwards engaged in the Bank of Montreal and the City Hall. She is also well known in the interior, having lived at Hazelton where her father was formerly forest ranger.

They will arrive in Prince Rupert in a few days and will later take up their home here.

CITY CALLS FOR
ESTIMATE TO BUILD
CONNECTING ROAD

The city council at last night's meeting decided to instruct the city engineer, through the board of works, to prepare an estimate for the cost of the road to connect the city up with the proposed provincial government road to Galloway Rapids. There was a recommendation from the board of works for the construction of the road from Eighth Avenue along Frederick Street to the Prince Rupert Boulevard and thence to Canada Avenue, the boundary of Section 8, leaving with the council the option of deciding whether the city road should terminate there or continue to the city limits through Section 9 which has not yet been offered to the public. It was the general opinion of the aldermen in council that the road would not fulfil its purpose if ending at the Section 8 boundary so it was decided to call for the estimate to the city limits. If it is decided to build the road it will likely be paid for by the city as a whole.

April 26, 1911
The Operator and the Conveyor, the first steamers for Hazelton this season, sailed today up river. Jack Stewart and Duncan Ross were among the passengers.

Mrs. P. L. Palmer entertained at bridge last night. Mrs. Tremayne and F. S. Clements were the first prize winners, consolation awards going to Miss MacDonald and H. P. Wilson.

Mr. and Mrs. A. R. Holby entertained at Five Hundred last night in honor of Miss Grant of Ottawa. Miss Sawle and C. H. Kearns won the first prizes, while the booby went to W. W. Wood.

Owing to the failure of boats to arrive from the south on time, there is a beef famine in Prince Rupert today.

IMPROVED SERVICE
TO SALT LAKES FROM
FLOATS AT COW BAY

Plans are being laid for a greatly improved service to the Salt Lakes this year and children are to get a 25c rate all the time, it was reported by J. Myhill Jones on behalf of the Oh Baby.

Mr. Myhill Jones said at the meeting of the Swimming Club last night that they were planning to give a ten minute service every fine afternoon holiday and Sunday from the float at Cow Bay. The Dixie Rupert and Natchong co-operating. This he thought would be a great advantage to the citizens. There would be no long waits and children would get a half rate.

Another plan that is under consideration is a round trip to the lakes in the evening for 25c.

WHILE men wrap themselves in overcoats buttoned round the neck, women may be seen on the street with their wish bone exposed.

THE old days of the Saturday hash seem to be leaving us. Times have been so good that no one wants to save the odd ends of meat. Nothing more negligible than a tee bone steak is now in favor.

FORGOTTEN are the old days when we found things in the Saturday savor.

Little hunks of leavings
Little bits of trash
They boil them all together
and call the mixture hash.

EVEN legal lights have to pay electric light bills, so they say.

"I hope that's blood," exclaimed the fisherman as he slumped over a rock and then felt something trickle down his leg from the neighborhood of his hip.

A chicken has it all over every other creature in the matter of usefulness. You can use it before it is born or after it is dead.

SMOKING may be just as bad as drinking whiskey, but I have never noticed a man influenced by a pull from his pipe quarrel with his friend, use dirty language or roll around as if he did not know the way home and did not care.

GERMANY won the war, judging by the way she is trying to make the Allies sit around and do as she tells them.

ONE of the things that never seems to get you anywhere is talking about Cow Bay.
