BUSINESS MEN COMING NORTH

Fifty to Make Trip from Victoria, Remainder from Vancouver

In connection with the proposed visit of business men from the south next month, W. E. Payne, secretary of the Vancouver Board of Trade, who was recently in Victoria, explained the arrangements at a Board of Trade luncheon. He said that in the past practically every section of the province had been covered by Board of Trade tours and all these trips had been of a business-getting nature. The tour to Northern B.C., he said, would have pleasure as its only objective, although an opportunity would be afforded to become acquainted with interior business men who were members of the party.

It is expected that about 300 persons will make the trip. The steamer Prince George has been chartered for the week commencing June 7 and ending June 15, and calls will be made at Prince Rupert, Ocean Falls, Surf Inlet, Swanson Bay, and perhaps the Queen Charlotte Islands.

From Capital
Vice President B. C. Nicholas, who presided, stated that Victoria business men would have a special interest in the proposed trip and he expected that there would be large representation from this city in the party.

WHIPPING POST IS SUGGESTED BY JUDGE

NEW YORK, May 9.—Revival of the whipping post for criminals was advocated in Brooklyn by Supreme Court Justice Fawcett in sentencing a highwayman to a term of imprisonment of from 10 to 20 years. "Shorter sentences and the generous use of the lash would rid the community of hardened criminals," said the court. "The prison with its moving pictures, theatricals and other forms of entertainment is not considered punishment by many prisoners. The time has come when judicious use of the lash would meet a long felt want in making our streets and parks safe and in protecting the lives and property of our people."

SEA MONSTER

Enormous Fish Taken Off Atlantic City, Weighed Over Two Tons

ATLANTIC CITY, May 9.—Old sea dogs whose chief pastime is to spin yarns of gigantic fish they have landed took two looks and then threw up their hands when Cap'n Clarence Starn's craft docked at this port, with a black sea monster weighing more than two tons that was caught in a mackerel net 60 miles off the coast. The fish which is only 29 feet long was hauled aboard with a tackle after putting up a stiff fight in which the sea was whipped into foam. None of the sea veterans could name its species.

A NEW AND STYLISH MODEL FOR SLENDER FIGURES

Pattern 3559 was used for this design. It is cut in 3 Sizes: 16, 18 and 20 years. An 18 year size will require 4 1/2 yards of 44 inch material. The width of the skirt at the lower edge is 2 yards.

Duvelyn, satin, taffeta, linen, voile, ratine and etamine would be attractive for this model. The skirt is joined to an underbody, wrist or elbow length.

FAMOUS PLAYERS TO BE HERE ONE WEEK

Athlon Company Opens Week's Engagement at Westholme Monday Next.

Prince Rupert will have a special theatrical engagement beginning Monday next, when the Athlon Company of players will appear at the Westholme Theatre. This company has had long runs in the big cities, and claims to be the only company of its kind in the world, inasmuch as they are presenting condensed versions of the very best big plays—some of them being the finest English comedies—something never before attempted by any organization. Instead of sitting three hours to witness a play, the Athlon Co. gives it in condensed form, with all the plot, scenes and situations, and does each play in forty minutes, giving two different styles of play—a big vaudeville act, and a 7-reel picture on each program, and each program is changed completely every night.

Miss Edie Johnson, known from coast to coast as the "Girl with the Million Dollar Personality," and as one of the cleverest actresses the stage has produced, leads this versatile company.
