FOR A BIGGER AND BETTER FAIR

Plans Being Made Well Ahead for
Making This Year's Fair
the Best Ever.

The directors of the Prince Rupert Agricultural and Industrial Exhibition held a meeting on Tuesday to consult upon what might be done to further add to the success of the coming fall fair. The president welcomed Mr. Garde and Mr. Coyne as delegates of the Free Miners' League and plans were discussed as to the best methods for getting a good exhibit of minerals. The prize list has been revised and greater inducements than ever before are held out to the contemplative exhibitor.

The usual routine of business was carried, with general discussion as to ways and means for providing attractions to the public. It was decided to give 50 per cent of the net profits of the 1919 fair to the possible aid of the city in building a better roadway to the grounds. The office in the exhibition building will be enlarged and this matter has been left in the hands of the president and vice-president. All bills contracted last year and for this year were ordered to be paid. The publicity and printing committee brought in resolutions which with certain modifications will be accepted and acted upon. The finance committee reported very favorably and announced that the citizens and tradespeople were right behind the movement to have a Bigger and Better Fair than in former years.

It has been suggested to have the refreshment and amusement booths outside and several applications have already been made for space, but this will be given further consideration before any definite steps are taken.

"GOLDBLOOM'S LTD." IS INCORPORATED

The last issue of the Official Gazette to be received here carries intimation of the incorporation of Goldbloom's, Limited, as a limited company, with a capital of \$10,000 and its registered office in Prince Rupert.

Among the objects for which this company has been incorporated is: Clause "a" To carry on, engage in, manage and control in every branch and department of same, whether wholesale or retail, the business of merchants, fur-dealers, agents, manufacturers, jewellers, druggists, contractors, importers and exporters, or any other business which the Company may deem convenient in connection with the above objects.

VICTORIA REFUSES THE HOUSING MONEY

Victoria has decided not to accept the Dominion Government money under the housing scheme. This should give other places an opportunity to increase their allowances, as houses are badly needed in most cities.

Victoria was originally allotted \$135,000 but this was later increased to \$180,000.

Eastern Prices on Community Silver

We just received a copy of the Robert Simpson Co. catalogue and find that our prices on Community Silver are exactly the same as theirs. We mention this as proof that we are trying to give our customers as good service as they can get anywhere.

Other things we can prove it by are Big Ben clocks, Waltham and other watches, Waterman pens, Rogers silver and almost any well known article.

GOOD PROGRAM AT THE EMPRESS THEATRE

"An Amateur Orphan," which is being screened at the Empress Theatre this evening, is one of those photoplays which most people like to see. Gladys Leslie as the star actress, proves to be a pretty actress and obtains the sympathy of her audience from the very start. The tale is an interesting one. This five-part feature, followed by a British news gazette, which is quite up-to-date. It has very many scenes of particular interest at this juncture in the affairs of the world and it is well worth seeing. Followed by a splendid comedy, which makes up the program the fare offered at the Empress this evening makes a very pleasing entertainment.
