One cannot burn the candle at both ends

You wouldn't light a candle at both ends and expect it to last very long. And you can't attend your many duties as wife and mother, then pile on wash-day labor, and expect to keep yourself fresh and vigorous. Why not let us take care of wash-day toil and trouble? One of our many services will fit exactly both your needs and your purse. And you can "keep the home fires burning" without burning the candle at both ends.

PRIZES GIVEN BOOTH SCHOOL

Chairman of School Board Officially Distributing Forestry Awards

Yesterday at 1.30 p.m. in the Booth School auditorium, C. H. Orme, chairman of the board of school trustees, presented the three prizes won by Booth School pupils in the recent forestry crossword puzzle and essay competition.

After the singing of "O Canada" by the school, Mr. Orme spoke briefly congratulating the pupils on their success, which was of value to them beyond the actual prizes in providing an incentive for fresh effort. In life, he added, the successful man was he who was willing to work and keep on trying.

Mr. Orme then presented the prizes. They were:

1st prize for the district, a kodak and case, to Archie Thompson, grade 6.

2nd prize, silver pen and pencil, to Joan Arthur, grade 6.

3rd prize, Eversharp pencil, to Frances Tremayne, grade 8.

The presentation concluded with the singing of God Save the King.

CALLIES WERE EASY WINNERS

Defeated Sons of England Last Night and will Enter Dominion Day Cup Finals

Defeating the Sons of England easily last night by a score of 5 to 1, the Callies won their way into the final for the Dominion Day Cup against the Great War Veterans, which will take place on July 1.

The Callies presented a very strong front and played their best game of the season. The match was, in fact, rather one-sided and the Scots had the upper hand all the way. All their players seemed to be in the best of form.

Playing up-hill in the first half, the Callies scored two goals—the first by McDougall and the second by W. Mitchell.

In the second half with the grade in their favor, they pressed even harder and made three scores from W. Mitchell, Sam Currie and James Hamilton. The Sons got their one and only just a minute before the final whistle. Kelsey scored after J. Johnson had missed a penalty by driving the sphere into the goalie's hands.

Probably the most effective players for the Sons were Dick Howe and George Kelsey on the full back line and A. Bales and P. Cameron, halves.

There was a good crowd in attendance. Tom Jones refereed and Alex Clapperton and Joe Hutchinson officiated on the side lines.

The line-ups, at the opening of the game, were as follows: Callies—W. Hamilton; M. Andrews and D. Scott; J. Harris, Sam Currie and R. Woods; A. Mitchell, R. McDougall, W. Mitchell, J. Hamilton and J. Andrews.

Sons of England—J. Hattie, R. Howe and H. Hanson; F. Hodgkinson, G. Kelsey and P. Cameron; G. Howe, A. Dickens, A. Bales, J. Johnson and J. Farquhar.

ADMIRAL SEBREE HAS REPAIRS MADE AND LEAVES FOR NORTH

Having had repairs made at the dry dock during the afternoon to her propeller which lost a blade while coming up the coast at the first of the week, the Pacific-Alaska Navigation Co.'s freighter Admiral Sebree, Capt. Samuel Glass, moved back to the lumber wharf about midnight last night and, after re-loading the explosives which she had taken off there, proceeded on her voyage to Ketchikan and Seward at 2:30 this morning. The work here was done with speed and satisfaction.

Ten Years Ago in Prince Rupert

June 19, 1915.

Ross Bell was acquitted at the Supreme Court Assizes yesterday on a charge of sedition. The jury consisted of E. F. Doyle (foreman), Edward Eby, Peter Black, George A. Sweet, C. L. Munro, Charles W. Embleton, Peter Rorvik, C. T. Partington, Thomas H. Arnell, Thomas Spreaf, W. J. Crawford and F. B. Clifton.

An interesting letter has been received by Miss Grace Shockley from Don Yelf who is at the Front. Among other things it says that the British Tommies worship the Canadian troops.

Sport Chat

A formal challenge is being sent by the Rotary Club to the Gyro Club to play a five game baseball game on the afternoon of July 9 at the time of the children's sports all league game players to be barred. The Gyro players are planning to have some distinctive dress for the occasion in which they will march in the procession from the Rotary Club headquarters at the St. Regis Cafe.

The Gyro Club and Sons of Canada will have their first meeting of the year tonight in the Senior Baseball League. It will be the second game of the season for the Canucks, who have one victory to their credit over the Sawmill. It will be the third game for the Gyros who have been nosed out of victory twice by the Sawmill through unlucky last minute denouncements. If the Gyros can just tighten up a little and can lose the jinx that, thus far, has apparently been following them, they will present a baseball aggregation that will make a strong bid for the season's honors. There have been three interesting league baseball games so far this season and the prospect is that tonight's will be as good as any of them.

Sunday baseball is again under discussion in the city. On account of unfavorable weather conditions, the Senior League
