"SHOULDER TO SHOULDER"

"Canada stands shoulder to shoulder with Britain in this war." There is no mistaking these words. Prime Minister Mackenzie King, who has been in close touch with the British through the British High Commissioner for the past year or two and has shared all the jittery moments of which we have known little, is fully convinced that the British cause is right and just. He knows the inside story and, on his advice, Canada has declared war.

HITLER WANTS PEACE

Hitler, after making a drive into Poland and killing a large number of the people of that country, sinking the Athenia and setting nation against nation, would like to make peace on the basis of keeping all he has conquered. He also would keep Danzig and the Polish corridor.

While we do not know the mind of the people of Poland or of Great Britain and Fance except what her official spokesmen have said, we feel sure that this war will be continued until Hitlerism is destroyed. It is too late to talk peace. The time for that was before the war started.

STILL RALLYING

Canadians in this part of Canada continue to join the local defence units steadily. The ranks are filling up but ACROPOLIS still there is room for more. If anything untoward should happen on this coast all the men will be needed. CROXFORD IS WINNER

Takes Tip Top Tailors Model Yacht Trophy

The Prince Rupert Model Yach club on Sunday sailed off the final race for the Tip Top Tailors' Trophy which now becomes the prop-, erty of A. J. Croxford for a year.

The race itself was run off in good time but, owing to other calls, only four of the seven boats! were sailed. There was little to choose on the first leg of the race with S. Hingston, A. J. Crexford and H. Gawthorn all ciose together. On the second leg Hingston established a substantial lead and Gawthorn rounded the second buoy ahead of Croxford, Hingston increased his lead on the home run but for some reason picked up and did not finish. Gawthorn crossed the line first and was followed by Croxford with Lamb not far behind.

As a result of the race A Croxford wins the Tip Top Tailors'

the Canadian Legion clubroom when trophies for the year will be presented to the winners.

SEARING ITALIAN FLAME-THROWER GIVES HINT OF POSSIBLE FIGHTING

A preview of what is in store for enemies of Italy in a possible future war is this searing flame thrower with which most all of Italy's newest army tanks are equipped. The flame throwers are not new, having been used by Italy during the conquest of Ethiopia. Inic photograph was taken at Sicily, Italy, during preparations for war manoeuvres. The weapon serves a two-fold purpose, providing a smoke screen that hides the advancing tanks and literally consuming everything that stands in its path
