British Picture Featured At Capitol Theatre Tonight-Claudette Colbert Comedy-Drama

A fine drama of British production-"South Riding." with Ralph Richardson and Edna Best in the leading roles-comes as the feature picture to the screen of the Capitol Theatre here tonight and Friday. Laid in Yorkshire and proljected against a background of local politics are the stories of Squire Carne, burdened by increasing poverty and an insane wife, of Sarah Burton, within an ace of being thwarted in her love for Carne, of her bright pupil who sees her mother die in a diseaseridden hovel, of a sincere reformer plagued by tubercuiosis and the unscrupulous dealings of his fellow councillors. The hopes and or rows of these people are presented in a realistic manner and comprise a poignant story.
