CREAMERY IS OPENED

New Plant at Telkwa, Important to Bulkley Valley, Starts Operations

TELKWA, May 17.— The new creamery at Telkwa is now open for business.

Many of the citizens of Smithers journeyed to Telkwa last Friday evening to be present at the opening ceremonies. The Smithers Band attended in the band wagon to lend an artistic air to the occasion and the creamery building was filled to capacity when C. R. Bussinger, acting as chairman for the occasion, called on manager T. Paulson and many local farmers and businessmen to make short addresses.

The visitors were shown around the premises and had the various pieces of creamery machinery explained to them as well as being given a demonstration of the operation in making butter by having the machinery put in motion.

The enterprise should prove to be a great asset to the whole Bulkley Valley and should encourage and promote the dairy interest throughout the district.

It is hoped that the farmers will increase their herds and provide an abundance of cream for the institution to work on.

Alfred Miller of Prince George, the owner, was not able to be present for the official opening.

A dance was held in the Telkwa Hall later in the evening to finish off the official celebration.

CHAPLIN TELEVISED

LONDON, May 17: (CP)—Celebrating the 50th birthday of Charlie Chaplin, scenes from his earliest films were televised. An authentic touch was lent to the presentation by the old-time piano accompaniment.

Whifflets From The Waterfront

Back in service for the season following annual overhaul, C.N.R. steamer Prince George, with Capt. Neil McLean in command, arrived in port at 10:30 this morning from Vancouver, Powell River and Ocean Falls and sails at 4 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound. A notable improvement which has been made to the Prince George this spring has been the putting in of new seating arrangements in the observation room. The finish is in rust brown tapestry, matching harmoniously with new green carpets. New Composition floor covering has also been placed in the forward social hall on the main deck. Similar improvements are to be made in the steamer Prince Rupert which the Prince George has now replaced.

C.N.R. steamer Prince John Capt. George Coles, is due in port at 6:15 this evening from Vancouver via the Queen Charlotte Islands.

The Kitkatla boat Cecilia B., Captain Solcman Brown and with David Campbell also on board, has been in port for the past couple of weeks undergoing overhaul. It is expected to be finished and ready to return home this week.

Are Honored At Anyox Before Leaving Town

ANYOX, May 17:—The Anyox Social Club held a card party and dance on Saturday evening in honor of Mr. and Mrs. D. Thomas Evans who will be leaving Anyox this week. Mr. Evans has been transferred to the Consolidated Mining & Smelting Co. property at Goldfields, Saskatchewan.

The winners at bridge were: ladies' first, Mrs. J. H. Fee; men's first, J. McDonald; consolation, Miss Helen Ward and J. T. Langridge.

After cards a tasty supper was served, followed by dancing, with Ward's Orchestra supplying the music.

J. T. Langridge, on behalf of the community, in well chosen words, wished Mr. and Mrs. Evans the best of luck and prosperity for the future.

ELECTING ABBOT

AMPLEFORTH, Eng., May 17: (CP)—For the first election in 15 years, the 130 Benedictine monks of Ampleforth Abbey cast ballots for a successor to Abbot Joseph Matthews, who died Good Friday.

HOUSE O'CARDS

COMBE MARTIN, Eng., May 17: (CP)—Because he had good luck at cards, George Ley, a 17th century Devon squire, built a house like a pack of cards. Now an inn, the place has 52 windows, four floors and 13 doors.

PERILS OF FARMING

ROTARIANS PAY VISIT

Party of 187 Here Yesterday En-route to Juneau for District Convention

A party of 185 members of Rotary Clubs of Oregon, Washington and British Columbia arrived in the city yesterday at 4.30, two and a half hours behind schedule as a result of fog down the coast and were met by members of the local Rotary Club. After being welcomed by City Commission W. J. Alder and W. L. Coates, president of the local club they were taken in cars for drives around the city. Some rambled around the town and a few visited the local museum and were given an interesting talk on Indian customs by Rev. W. H. Pierce.

At 8:30 a large number of the visitors attended a dance put on by the local club at the Armory for them. Music was by Balagno's orchestra and A. C. Small was master of ceremonies. The fun kept up until close to midnight when the party embarked for Ketchikan where they spent a few hours this morning before proceeding to Juneau for a district convention.

As the Aleutian, with the party aboard drew into the dock yesterday, they were greeted with music by the Leslie Pipe Band and many moving pictures were taken of the band in action.

Great interest was taken by the visitors in the various British flags exhibited in shop windows. From the large number seen they realized fully that they were in a British country and many of them had never been in a British country before. Most of the visitors were from American cities and were prominent citizens in their own communities.

The pilgrimage is headed by C. Reeve Vanneman of New York, international vice-president, and Marshall Cornett of Klamath Falls, Oregon, district governor. Also in the party is Arthur V. Vickery, secretary of the Vancouver club.

The district convention is being held at Juneau tomorrow and Friday and the boat will then return to Seattle direct. She did not call at Vancouver or Victoria northbound so British Columbia visitors had to cross to Seattle to make the trip.

NEW AND BETTER
COLD CURED ICE
For the Halibut and Salmon Fleets

Following the investigations of the Fisheries Research Station, the Company has just completed extensive changes and improvements in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured or aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system.
Better ice than ever before, at no increase in cost, means economy to the boat and improved quality in fish delivery.
