BURNS LAKE Mr. and Mrs. Ray Commons Farewelled at Interior Town

HONORED AT

BURNS LAKE, May 25:-On Friday evening last over forty of the Bushness men and other friends of Ray Commons met at the School Hall in Burns Lake to bid him. farewell before leaving the follow mg day for his new post as manaper of the Royal Bank of Camada at Quesmel. The evening was spend an games, cards and singing. On pehalf of those present, Rev. J. E. Whittiles, in a few well chosen stords, expressed regret at Ma Commons, departure and presented him with a leather fitted tavelling case. Mr. Commons replied, ex pressing thanks for kind thoughts

Originally intended as a fare-

well party from the United Church Women's Auxiliary of which Mra commons had been president for two years, an affair held in the Elks' Hall became a community event, included among the forty ladie's present were members of the Women's Auxiliary and other friends who wished to express their regret at her departure. At the close of the various forms of entertainment provided, at which first prize winners were Mrs. W. Wilson, Mrs. J. Small and Mrs. J. A. Clark, the entire company was seated at a long table with the guest of honor at the head Mr. John Gowans, on behalf of those present, read a suitable address and Mrs. G. Hadden presented a set of twin travelling bags in grey The guest of honor replied in a ing. This flower stands the rair few words, expressing her regret at leaving the assembled friends very delicate, the wind does not The singing of "Auld Lang Syne" brought the evening to a close.

Mrs. Commons will be greatly missed from St. Paul's United it in early and never allowing i Church where she taught in the Sunday School. She was also a member of the board and President of the Women's Auxiliary She was an active member of the Hospital Aid Society, the Badminton Club and other community or-

NEW AND BETTER

For the Halibut and Samon Fleets

Following the investigations of the Fisheries Research Stati the Company has just completed extensive changes and imp ments in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured of aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system. Better ice than ever before, at no increase in cost, means ed to the boat and improved quality in fish delivery.

Prince Rupert

Little Lessons in Home Economy!

If you're spending hours (3) in a hot kitchen wrestling with an oldfashioned stove : if your fuel bills are high because so much heat is going up the chimney : it's time to break away cooking slavery by installing an Electric Range. Then, you COOK WITH ELECTRICITY at the simple snapping of a switch and every dish holds its full food value.

There's heat for winter, if you need it, in an electric range like this. It combines electricity with coal or wood. Easy terms available on all
