issued by the Nazi government it is clear that Germany is paying an increasingly heavy price for her attempt to turn back the hands of the clock of civilization, says the Victoria Times. Statistics issued by the Reich department of statistics (Reichagesundheitsamt) tell their own story. Here are a few of the more striking:

1933 1938 77,349 149,429 Diptheria 79,830 114,243 Scarlet fever 617 1,826 Spinal meningitis 1,318 5,757 Infantile paralysis Contagious dys'try 2,865 5,265 Trichinosis

These factors are responsible for the enormous increase: First, under-nutrition; second, shortage of skilled physicians; third, the extra strain caused by the long hours of work. The greatest increases among industrial workers are shown in the building trades, where the men now work 14 to 16 hours a day.

When Germany drove out her Jewish and liberal doctors she inflicted upon herself an even victims. Not only has there been a marked shortage of good docious years.

the specific statement that no crusaders.

Even from the official figures population of Germany had at one time or another been afflicted with some form of venereal disease. Outside observers are inclined to put this statement down as an unusually wild bit of Nazi publicity. It was made in connection with an anti-disease campaign and seems to have been more concerned with those it was supposed to influence in Germany rather than with world opinion. Nevertheless, it is no secret that the strange kind of morality advocated by the whole Nazi propaganda mashine has had other results than the production of a great crop of illegitimate child-

VARIOUS CRUSADES

It is officially reported that the Leadership League is dead. It is also reported, although not officially, that the New Democracy is doing little else but breaking into the C.C.F. These are among the newer crusades which have failed or are about to fail. As we look back we remember prohibition crusades, farmers' crusades, General McRae's crusade and greater injury than she did to the state other movements, none of which succeeded in bringing about any permanent change in the countors as a result, but the whole try. Another interesting game in the junior boys' section of the Gyro youngsters have played many playground softball league was games in Australia and New Zeaplayed on Wednesday afternoon land. with Seal Cove beating Westview by a score of 11 to 8.

Feature of the game was the heavy hitting of both teams. Neither team's pitcher showed much speed, with the result that both were hit freely.

Seal Cove opened with a barrage of hits in the first inning to push over five runs, two more in the second, one in the third and three in the seventh accounting for their total of 11.

Westview scored single runs in second, fourth and sixth innings and had one good inning, the third, when they scored five runs.

Defeat Nurses in Close Contest

Velvets defeated Nurses 16 to 13 | Macdonald and Grottettes won over Annette's Winslow 14 to 4 in the Ladies' Softball Hill League last night. The former Frew game, as indicated by the score, was the feature of the evening. The Nurses built up an early lead and looked like easy winners with the score standing 13 to 3 in their favor at the end of the fourth. Velvets came right up from behind, however, and scored seven runs in the sixth and six in the seventh. Incidentally, the girls are showing an improvement in their play and are providing good entertainment for the spectators. Weather was ideal last night and there was a good-sized turn-out to see the fair damsels in action.

Johnny Comadina and Andre Letourneau were umpires and D. Montesano acted as scorer.

The line-ups were: Nurses- Giraud, Andrew, Hibbard, MacDonald, Bourgon, Payne, Morrison, Hunt and Davey.

Velvets-Flewin, Rowe, Blake, A. Gomez, J. Dickens, Vink, E. Dickens, R. Gomez and Hallberg. Score by innings:
