JAPANESE SALMON IN BRITAIN

Methods of Marketing Told in Special Article to Financial Newspaper

The Financial Post of Toronto published a special article from its! own correspondent in London telling how Japanese salmon is markjeted in that country. The article

Bitter feeling aroused in Great Britain respecting Japanese trade may benefit Canadian exporters to England. This arises out of the widely-publicized recent sale of 589,000 cases of canned salmon to British importers by Japanese canners. The amount involved is estimated at close to \$9 millions.

The group in London which controls the Japanese imports buys, Angus has been a director of Son-in-Law Of Late President virtually the entire Japanese ex- The Royal Bank of Canada for port pack each year.
