# BREACH OF NEUTRALITY

Diversion of Canadian Shipment of Planes Involved This Dominion

OTTAWA, Jen. 16: (CP)—Canada unwittingly became involved in an international arms mystery when 34 aeroplanes, destined for Turkey, were shipped from this country and landed in warring Spain.

The case had repercussions in both Washington and London. In the British House of Lords, Lord Phillimore, Conservative, raised the question of armament shipments from Canadian ports and mention-TORONTO, Jan. 16: (CP)-At- ed the specific shipment of the 34

facturer to export the planes to the Turkish government, which later stated it did not authorize the placing of the orders for the planes.

The Canadian government said that while it believed the exporter acted in good faith, believing the machines were for Turkey, there to government Spain. Canada is not a member of the non-intervention committee and while there was LONDON, Jan. 16: (CP)-Chan- no breach of this agreement there
