All persons exporting property from Canada, or importing property into Canada, or receiving any foreign currency in Canada or abroad, or dealing in any way with foreign securities or other foreign assets should take notice that activities of this character are subject to the provisions of the Foreign Exchange Control Order. This Order was passed under the authority of the War Measures Act, and it is incumbent upon all concerned to become familiar with the Order and the Regulations of the Board. Penalties have been established for infractions of the Order or Regulations.

Under the Order any resident who had in his possession, ownership or control on September 15th, 1939, any foreign exchange valued at more than \$1,000 or any foreign securities valued at more than \$1,000 is required to declare them to the Board. Notice is hereby given that any resident who has not filed such declaration with the Board by November 15th, 1939, will be considered to be in default under the provisions of the Order.

Notice is also given that the Board has provided a special form of permit for exporters who are being allowed to make exports for payment in Canadian dollars. Temporary arrangements previously made in this regard will be terminated on November 30th, and any exporter who has not then obtained a special "Control Permit-Canadian Payment" from the Board will not be able to make any further exports otherwise than for payment in foreign exchange. Any exporter who wishes to make applications for payment in Canadian dollars and who has not yet made application in this connection to the Board should do so immediately, giving full particulars of the nature of the transactions.

For the information of the public, the Foreign Exchange Control Order and Regulations 1 to 34 of the Board are contained in special issues of the Canada Gazette dated September 15th, 17th, 23rd and 25th and October 23rd. Copies may be obtained from the King's Printer, Ottawa.
