pionage and subversive organiza-Britain Calm LONDON, August 17: (CP)-Although the Danzig situation is Construction Of One-Storey Re- | again causing anxiety generally in inforced Concrete Structure For | Europe, British officialdom is inclined to take a calm view of the matter although not minimizing the possibility of serious developments arising. The opinion here seems to be general that Chancellor Adolf Hitler of Germany is

> sword rattling in the hope that Poland may make concessions, something, however which Poland does not as yet appear disposed to do. Meantime, Europe is developing another case of war nerves. Italy is continuing to move for a conference between Great Britain, France, Germany and Italy on the Danzig and Polish corridor

In some quarters it is felt, however, that he may make an early move to absorb the Free Port back into the Reich. In Berlin yesterday it was re-

question. Hitler appears to have

no objection to such a conference.

ported that new troops were being moved up to the Polish-Danzig frontier.

GT. BRITAIN WILL FIGHT

Lord Maugham Makes Fiery Speech

Before Canadian Bar

Association

QUEBEC, Aug. 17: (CP) - Great Britain has counted the cost and will fight rather than see Chancellor Adolf Hitler of Germany gain control of Europe and force on non-German people a regime they detest., Lord Maugham, Lord Chancellor of England, told the Canadian Bar Association here last night. "If Herr Hitler is not willing to take warnings which have been given again and again to him, his people and the Italian people as well, the

New Indian Agent At Bella Coola

result will be war," Maugham said.

William Christie Of Southbank Is Named Successor To James Gillett

William Christie of Southbank has been appointed Indian Agent at Bella Coola in succession to James Gillett, who was recently transferred to Prince Rupert, according to official notification receivedo here today.

Dr. Donald Thomson of the University of Melbourne, Australia, in the course of a tour of Canada and the United States to make a study of native races, is a visitor in Prince Rupert. He arrived in the city on Tuesday night's train from New York and plans to spend some time hereabouts visiting various Indian villages.
