

## HE SAYS "BECAUSE!"

Because this fragrant Old Virginia Fine Cut is cut extra fine to roll a trimmer, tidier cigarette with a flavour your taste will love to linger on . . . and because this cigarette tobacco has something on them all when it comes to mildness and fragrance—it has first-puff satisfaction that proves real quality.

It will really pay you to try Old Virginia Fine Cut—the mellowest, most satisfying tobacco you ever tucked into a cigarette paper. Particularly if you use the best papers, "Chantecler" or "Voque."
