1. To ease pain and discomfort and reduce fever take 2 "Aspirin" Tablets—drink a glass of water. Repeat in 2 hours.

2. If throat is raw from cold, crush and dissolve 3 "Aspirin" Tablets in 1/2 glass of water... gargle.

It's the way thousands know to get almost immediate relief. Make sure you get "Aspirin" Tablets.

The simple way pictured above often brings amazingly fast relief from discomfort and sore throat accompanying colds.

Try it. Then—see your doctor. He probably will tell you to continue with "Aspirin" because it acts so fast to relieve discomforts of a cold. And to reduce fever.

# Good Crowd At Benefit Dance

Effort by Moose Lodge for Enochsen Relief Fund Meets with Gratifying Response

The dance staged last night by the Moose Lodge for the purpose of raising funds to augment the campaign for the relief of Axel Enochsen and family, who were recently burned out at Dodge Cove, was a very successful affair. About 150 or so persons were present and a tidy sum was realized.

Dancing was in full swing from 10 p.m. until 2:45 a.m. Gillis Royer was master of ceremonies and music was by an orchestra consisting of Harold Davey, William Stuart, Robert Reid and Jack Campbell.

At midnight appetizing refreshments were served.

A. D. Vanev, dictator of the lodge, and Harry Menzies, chairman of the lodge entertainment committee, took an active part in arranging the affair, assisted by other members. Ladies of the Women of the Moose assisted in connection with refreshments.

# RAISING OF FUNDS FOR TRIP SOUTH

Further Progress in Campaign To Send Children South For King's Visit

Further progress was made at a meeting of representatives of various organizations last night in the campaign which has as its objective the sending of as many Prince Rupert School children between the ages of twelve and seventeen as can be financed to Victoria on the occasion of the visit of King George and Queen Elizabeth. Ways and means of raising the necessary finances were discussed and committees were appointed for such efforts as a tag day, dance, telephone bridge and amateur night. Each organization taking an interest in the movement will also be invited to put on some individual effort to raise funds for the common purpose. Already some have expressed their intention of doing so. Jack Preece, president of the Canadian Legion, was in the chair at last night's meeting and Stanley Saville acted as secretary. There was a goodly attendance of delegates.

There was a letter from Arthur Sutton, principal of Booth Memorial School, drawing attention to the invitation of the Board of School Trustees of Vancouver offering to take care of four local High School pupils while in Vancouver for nine days including the time of the King's visit there. No action was taken in regard to this invitation which was laid on the table. The feeling was expressed by some that it would be inadvisable to have any competitive efforts with the same object in view.

The meeting was notified that there would be a special round trip rate of \$36 from Prince Rupert to Vancouver by steamship with regular local rates additional to Victoria.

Their Majesties will be in Vancouver May 29 and in Victoria May 30. The proposal is that the children should leave here on May 26.

Neil Lang suggested that a celebration might be held locally on the day of the King's visit in which all school children might participate.

It was intimated that the Moose and Oddfellows' Halls would be made available for events to support the cause. Peter Gamula felt the Eagles' Lodge would be prepared to stage some event. Toc H, Daylight Group, and the fire department are planning a joint concert.

# MYSTERY IN FILM

Barbara Stanwyck and Henry Fonda Head Cast of "The Mad Miss Manton"

Teaming Barbara Stanwyck and Henry Fonda, "The Mad Miss Manton" comes to the Capitol Theatre here tonight only. It is a murder mystery with rich comedy and romantic elements.

Fonda plays the part of a serious young newspaperman who editorially lashes Miss Stanwyck, a spoiled society girl, and her group of girl friends for their thoughtless pranks and spendthrift habits. The girls have just stumbled across a murder mystery but they are enraged by the editorial and they decide to solve the mystery themselves.

What happens thereafter makes for a thrilling and unusual picture. The investigation of the first murder leads to a second one, even more baffling, and into stormy encounters with the detective in charge of the case. Fonda also becomes involved with the sinister angles of the affair and, in an at-

# The Beaten Business Man

"Business is too quiet to advertise"—the motto of the beaten business man.

How often have we been told that, when we call on the business folk about Prince Rupert to offer our facilities to help them increase their business!

When times are quiet is the time to advertise—not when you are so rushed with business that you cannot handle it all.

If you are not satisfied with the business you are doing now, why not tell the people through the newspaper some of the things you have to offer and have them come down and buy?

Why hide your light behind a bushel and, by your silence, intimate that you have nothing to offer or do not need business?

Any time you are forced to admit that business is too quiet to advertise, you are admitting that you do not want any business.

If that is the way things are with you today, why not close up altogether and make a real saving?

But if you want to stay open and increase your business, why not do something about it?

Why not increase your business by reaching the people through the proven channel of the newspaper?
