DETAILED REPORT

Editor, Daily News:

The Salvation Army is once again making an appeal to the people of Prince Rupert to assist them to make this Christmas season a happy one for those who find themselves in poor circumstances. This is not a Salvation Army effort but a public one and the Army cannot carry on this work without the goodwill and support of the public. Every cent of this money that is received through the Christmas Hamper Effort is used for the benefit and help of the unfortunates of our own city.

Last year over seventy hampers were distributed on Christmas Eve to many homes which would have had a very slim Yuletide had it not been for this parcel of food. All of the money that is received is not spent at the Christmas season but a bortion is reserved for emergency. relief cases during the following winter months.

During the Christmas season of 1938, as a result of the campaign staged by the Daily News and also the radio auction by the Junior Chamber of Commerce, a sum of \$527.53 was raised.

Following is a report of the relief work and disbursement of this fund in the city of Prince Rupert: Greceries 124.65 Meals to transients Beds for transients Fuel for needy families Transportation of sick man to Vancouver Cartage Cash relief and sundries Clothing

Total expenditure Balance still on hand

The hampers that are distributed are well filled and contain the folfowing: rolled oats, sugar, lard, of pre-Christmas bridge drives Joey, 37-year old donkey "knightbutter, potatoes, carrots, turnips, which the Women's Auxiliary of the ed" by King George V for his A fifty cent classified ad. will canned vegetables, canned milk, Canadian Legion has been conduct- work in the First Great War, has often make you many dollars. apples, cocoa, bacon, soup, coffee, ing in aid of the Red Cross was tea, salt, flour, iam, cake, meat, held last night and proved an enbread, candy and oranges.

The above is a report of the visiin your city but there is much done in charge. behind the scenes that never is known to the public.

(Capt.) IVAN HALSEY.

General Viscount Gort, commander-in-chief of the British forces in France, is shown here, Right, interestedly watching men of a Highland regiment "digging in" in the forward sector of the British lines on the western front. It is interesting to note that these troops still retain their colorful kilts. Much objection has been raised by the Highland regiments to replacing the kilt with the more serviceable cover-all uniform.

Art Club At High School

Organization Under Presidency of Guy Thorne is Active

The Booth Memorial High Art Cleb has been organized in October by Chas. Hayward and regular meetings have been held every two weeks. The officers elected were as follows:

President-Guy Thorne. Secretary-Treasurer-Helen Doc-

The general purpose of the Art Club is to enable students to continue with their art after the Grade Nine course has been completed. This year the club is not following any definite line of art but is trying to include every type of interest to the members. Some war posters have already been done for outside organizations and the last few meetings have been spent on Christmas work.

The Art Club also assisted in making the scenery for the plays held by the Junior Dramatic Society recently.

Before the end of the year it is planned to do some cartooning and dress designing.
