

### Faith To Prevail Over Dictatorship

Today, as in the days of Herod, faith may overcome the power of dictators said Miss Winnie Cameron who conducted morning service in First Presbyterian Church yesterday in the absence of the pastor, Rev. H. G. Funston. Spiritual revolution, a return to the faith of the forefathers, was suggested by the young speaker as the keynote of rectifying world ills. In the evening there was a musical service in which the Senior and Junior choirs joined under the leadership of Mrs. E. J. Smith, featuring the cantata "The Gentle Shepherd." The church was especially decorated with seasonal flowers.

**CARD OF THANKS**  
Queen Mary Chapter, I.O.D.E. wishes to thank all who donated flowers, loaned cars or assisted in any way on Decoration Day.

Miss Millicent Osborne becomes Bride of Leonard Mumford at Morning Ceremony

A quiet but interesting wedding took place at 8:30 this morning at the rectory when Miss Millicent Osborne R.N., daughter of Mrs. E. G. Osborne, became the bride of Leonard Manley Mumford. The couple were attended by Mr. and Mrs. W. R. Love at whose home a reception for invited guests was later held. Mr. and Mrs. Mumford sailed on the Princess Louise for Dawson.

The bride has made her home in Prince Rupert since early girlhood and has a wide circle of friends. She attended the local schools and is a graduate of Prince Rupert General Hospital training school for nurses. The groom has not been here so long but is equally popular.

**ALPHA WINS TITLE**

Saturday saw the close of the football season at High School when Alpha and Beta Juniors met in the replay of last week's draw. The game was well contested in the first half but, in the latter part of the second half, Alpha began to show superiority. After extra time was played, Alpha emerged victor by nine goals to six.

**NEW AND BETTER COLD CURED ICE**

For the Halibut and Salmon Fleets

Following the investigations of the Fisheries Research Station, the Company has just completed extensive changes and improvements in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured or aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system. Better ice than ever before, at no increase in cost, means economy to the boat and improved quality in fish delivery.
