NEW NEUTRALITY LAW APPROVED BY HOUSE

Only Formalities Now Before Change of Policy Of United States Goes Into Effect

WASHINGTON, D.C., November 3.-The House of contraband control system has Representatives approved the arms embargo repeal and the administration's neutrality law revision plan late yesterday by sending the legislation on to joint Senate-House. conference committee which approved it today preparing war. The cargoes destined for the way for final congressional action today or tomorrow

after which it will go to the President, who sponsored it, for his signature. Thus the House reversed its action of June 30 last. The new legislation is expected to become effective next week.

By a vote of 243 to 181 the weight of administration support beat down efforts to retain the embargo. With the remaining stages of passage regarded as mere formalities occupying only a few days, the repeal of the embargo on shipment of arms to belligerent nations, expected to become effective next week, will open the huge store of war supplies such as motorvehicles, be discussions with Nazi chieftains trucks, clothing, food and armaments to the Allies on a cash and carry basis.
