To Interfere With Her Trade

ROME, Nov. 25 .- Count Ciano. Italian foreign minister, called the French ambassador and the British charge d'affaires into conference to discuss the Allied blockade of German imports and exports. No official statement was made but Ciano is said to have reminded his callers that Italy was interested in seeing that its commerce was not provincial forest is being es- interfered with. Germany was ished north of Kamloops. It one of Italy's important customers be named after Hon. A. Wells and Italy did not wish that trade disrupted.

Card of Thanks

As President of the local branch of the Canadian Red Cross Society, I desire, on behalf of the Executive Committee, to extend sincere thanks to our friends in the city and district for the generous financial support accorded to us in the National Campaign which closed today. Total subscriptions to date amount to \$2,629.80 which amount is well in excess of our expectations. The thanks of the committee is also extended to Arnold Flaten, as general campaign chairman, and to the captains and their assistants for services so graciously rendered. (The names of the captains and their assistants appear on another page together with the respective amounts collected.) .
