### Queen Mary Suffers Bruises And Shock After Overturning Of Car Following Collision

LONDON, May 23: (CP)—Queen Mary is suffering considerable bruising from the effects of an automobile accident and has been ordered to "some days' complete rest," it was officially announced today. The Queen Mother's automobile turned over after colliding with a two-ton truck at Putney, West London suburb. Apparently she was not seriously hurt although she is suffering from shock.

After resting in a doctor's house after the accident, she was driven away in the royal car, acknowledging the cheers of crowds which had gathered.

### KING IS ADVISED

SCHREIBER, Ont., May 23: (CP) - King George told Reeve E. J. Sheenan at a civic reception at this northern railway town this morning that he had heard from London that the injuries to his mother, Queen Mary, in an automobile accident were not serious. There is no indication that the incident will in any way affect the King's tour plans.
