It's interesting to know when reading the Daily News that the people of the whole district are doing the same

BRITISH ANTI-AIRCRAFT GUNS ON THE WESTE ERN FRONT

This picture, released through the British wa office, is an official photograph of British anti-aircraft guns in position on the British sector of the Western Front, somewhere in France.

Whifflets From The Waterfront

Fishing vessels of the Prince Rupert fleet patrolling the West coast of Queen Charlotte Islands have been carrying on their duties assiduously despite storms of late which have been as severe as any ever experienced on the Islands. "Of such stuff is the British Navy made," says a correspondent on the Islands "and we Islanders are certainly proud of the patrol."

Bringing a good number of passengers including Christmas visitors, Union steamer Catala, Capt. Ernest Sheppard, arrived in port at 8:45 last night from the south and sailed a couple of hours later for Stewart and other northern points whence she will return here tomorrow afternoon southbound. Capt. Sheppard has taken over command of the Catala, relieving Capt. Findlay who has gone ashore in Vancouver for the winter. Purser Harry Gill is relieving Purser A. W. Robinson.

Lighthouse tender Birnie, Capt. Joe Peterson, returned to port Saturday afternoon from a pre-Christmas trip to various lighthouses down the coast as far as Egg Island. The Birnie had a rough trip and had to wait seven days before effecting a landing at Egg Island. Unjustifiable reports were current during last week that she was overdue, these reports causing some needless anxiety.

C.P.R. steamer Princess Norah, Capt. William Palmer, is due in port at 2:45 this afternoon from Skagway and other Alaska points and will sail at 4:30 for Vancouver. The vessel has on board a good-sized list of passengers from Northern British Columbia and the Yukon going south for Christmas.

Youth Training Class Concludes

Successful Session At Terrace Concludes With Banquet

TERRACE, Dec. 18:—The youth training school concluded in Terrace on Friday after two weeks of useful instruction to about fifty of the younger people of the district. On Thursday evening a banquet was staged in Sundal's Hall to which, besides the students of the various classes, a number of representative citizens had been invited by Principal W. Osborne and his teaching staff.

E. T. Kenney M. L. A., addressed the gathering, expressing his approval and pleasure at the work.

Besides Mr. Kenney there were several other speakers, Mrs. Dudley Little speaking for the students generally, thanked Mr. Osborne and the staff for the work they have been doing and Mr. Osborne told how pleased they all were with the results of the classes which might be followed up as had been done in other places by the formation of craft clubs.

Corbin King, as leader of the students' committee, called for the various toasts.

After the banquet there was a dance in the Orange Hall and on Saturday Mr. Osborne and the others of the teaching staff were bidden farewell at the train on their departure.

Sam Starr Of Bella Bella Passes Away

Sam Starr, one of the oldest chiefs of the native village of Bella Bella, died on Tuesday of last week, according to word reaching the city from down the coast on the steamer Catala last night. He was well known all along the coast.

Deceased's granddaughter, Lucy, followed him in death Friday night.

Weather Forecast

General Synopsis—The pressure is high over the center of British Columbia with a deep depression approaching Vancouver Island from the west. Scattered showers have occurred on the coast and in the interior.

West Coast of Vancouver Island
Strong southeast winds or moderate gales. Mild with drizzle.

It's the cumulative effect of advertising that counts.
