"SALADA" TEA

Joint Affair For Children's Trip Fund Is Proposed

As a means of raising funds for the campaign to finance the sending of local children to Victoria on the occasion of the visit of the King and Queen at the end of May, it was suggested by Sam Joy at the meeting of the Prince Rupert Junior Chamber of Commerce Tuesday night that the Junior Chamber and the Gyro Club might hold a stag party. This would be in addition to other efforts such as the tag day, dance, amateur night, telephone

bridge, etc., planned by the central committee. The financial objective is \$1000 which would finance the sending of eighteen or nineteen children. Should that objective not be met, a correspondingly less number of children would be sent.

R. G. Van der Sluys was appointed by the Junior Chamber to proceed with further arrangements for the proposed affair.

The Boys' Club has been fortunate in having thirteen very good tables and seven chairs donated by the Canadian Legion. This will help the boys considerably in furnishing their new quarters and they are very appreciative of the gift.

LOCALS

Eagles' Bridge March 22.
Anglican Tea, Mrs. Tobey's March 22.

Clearing line of Crepe Wool for 15c at the Dollar Store.

Mrs. F. M. Crosby is sailing tonight on the Prince Rupert for a trip to Vancouver.

Funeral Notice

The funeral of the late Mrs. L. Pustak will take place on Saturday afternoon at 2:30 o'clock from St. Andrew's Cathedral.

Baby Has a Party

How he is enjoying himself! And he's doing himself a world of good, for in his bottle is a Carnation Milk Formula. Growing fast is the recognition of Carnation Milk as the best way to feed a baby cows' milk. The reasons are very simple.

Irradiated Carnation Milk is just cows' milk—nothing else. Part of the natural water is taken out. The milk is kept uni-

form so that no matter where you buy it, baby always finds it the same. It is canned and sterilized, so that you can keep any quantity on the pantry shelf, yet always have safe milk. In this processing, it becomes much more digestible than cows' milk in any other form. And irradiation gives it more "sunshine" vitamin D—an extra supply—to help build strong bones and sound teeth. Ask your doctor.

Carnation Milk won fame for use in cooking because it makes everything taste better—and it is so economical. Just try it. Write for Carnation books. "The Contented Baby" is free. The big, colorful Carnation Cook Book is 15c (postpaid). Carnation Company Limited, Abbott St., Vancouver.

RADIO—listen to the "Contented Hour" every Monday night. See your local newspaper for stations and time.

Says Varicose Veins Can Be Reduced At Home—Small Cost

If you or any relative or friend is worried because of varicose veins, or bunches, as good advice for home treatment as any friend can give, is to get a prescription known as Moore's Emerald Oil.

Simply ask your druggist for an original bottle of Moore's Emerald Oil and apply night and morning to the swollen, enlarged veins. Soon you should notice that they are growing smaller and the treatment should be continued until the veins are no longer burdensome. So penetrating and efficient is Emerald Oil that it also helps simple swellings due to strain to disappear.
