EXIT 1939

Before our next issue the year will have passed. The Old Country Soccer outstanding event of 1939 was the entry of Canada into the war in defence of the Empire and of small defenceless nations. It was a momentous step but one which, as a nation, we shall never regret. We could not have done otherwise and at the same time kept our self-respect.

So far as Prince Rupert is concerned, we have so far felt the war stress not at all. We have not been curbed in our eating or drinking or in our wearing apparel. We have much the same opportunities of travel except that travel to Europe is rather dangerous. Even the increased taxes to pay the cost of the war have not yet been levied! except the excise tax on liquor and a few articles of food.

The Prince Rupert merchants have had a good year, most of them making a little money. More people have had steady work this year than for many seasons past. While salmon trolling was pretty much a failure, the river fishing was excellent and the halibut men did reasonably well as far as it went.

With the troops in the city the population has increased and every house has been one of advancement.

WELCOME 1940

In view of the successes in the war area and the prospects at home we may look forward to the year 1940 with confidence. Unless something unforseen occurs, we shall win the war. Germany will be stopped in her agression and Russia will have to get out of the Baltic countries and mind her own affairs, which will be enough for one country to do. If it is not done in the coming year it will in o the next year.

So far as the city is concerned, there is every sign that Albion o. we are only at the beginning of a period of advancement. The work at Seal Cove is to commence soon. A cannery is to be operated in the city next season. The garrison is' to remain permanently. New homes will be needed and, must be erected. Already it is estimated that the population of the city has reached at least seven thousand and, by the time the census is taken in 1941, should be a great deal more. After remaining static in population for something like twenty years, it seems as if Prince Rupert is due for a forward move.

The Rover Scouts' Christmas sing-song was the best yet. The theatre was packed with an enthusiastic audience. The program of Christmas carols and old-time songs was interspersed with musical solos by Miss P. P. Clarke and Percy Bryant. There were also vocal solos by Margaret Hughes.
