C. N. R. DEFICIT

Editor Daily News:

Allow me to suggest that Mr Meighen get out of the Senate and draw his pay from the C. P. R.

As you suggest, very intelligently, although not in the same words, if there was unification of the two railroads the C. P. R. would get all the cream, the C. N. R. the skim milk (if it was lucky) and the people would get it in the neck—as usual. We predict that this will occur in the matter of the Vancouver Hotel.

I shall not comment on your ideas regarding the matter because I assume that you are working on the same line of thought which has had this matter up in the air for so long. That is merely the so-called C. N. R. deficit. Anyone should know about the cause of this deficit in the first place—just plain ignorance or fancy finance. The depression or lack of business need not enter into the question although both of those items do to some extent. They are things that can be remedied. That leaves just one point with which

we have to deal—to wipe out the deficit.

Excuse me for mentioning the matter again but it may afford some of your readers amusement. However, I have stated several times that Canada was wasting a million dollars a day—needlessly. That is exactly what I wish to convey, especially the word "needlessly," and the C. N. R. deficit is part of it.

D. T. GREENE.

**HILL RINK IS LEADING**

MacDonald and Borland Tied For Second Place in C.N.R.A. Bowling League

George Hill's rink, unbeaten so far this season, continues in the leadership of the Canadian National Recreation Association's Lawn Bowling League as a result of another victory in play this week, having defeated D. A. MacPhee's rink 24 to 17. In the only other games to be played so far this week D. G. Borland's rink won over G. P. Tinker's 17 to 12. Borland's rink is also unbeaten so far this season, having, like Angus MacDonald's rink, won two matches and lost none. Wet weather since Monday has interfered with league play.

The standing of the rinks to date is as follows:

	W.	L.	Pts.
Hill	3	0	3
MacDonald	2	0	2
Borland	2	0	2
Winslow	2	1	2
Arrol	2	2	2
MacPhee	1	1	1
Frew	1	2	1
McMeekin	1	2	1
Preece	1	3	1
Tinker	0	4	0

**NEW AND BETTER  
COLD CURED ICE**

For the Halibut and Salmon Fleets  
Following the investigations of the Fisheries Research Station, the Company has just completed extensive changes and improvements in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured or aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system. Better ice than ever before, at no increase in cost, means economy to the boat and improved quality in fish delivery.
