### THE "SALADA" WAY Infuse 6 heaping teaspoons of Salada Black Tea in a pint of fresh, boiling water. After 6 minutes strain liquid into 2-quart container; while hot, add 1 to 1½ cups of sugar and juice of 2 lemons, strained; stir until sugar is dissolved; fill container with cold water. Do not allow tea to cool before adding cold water or liquid will become cloudy. Serve with chipped ice. The above makes 7 tall glasses.
