The soldiers quartered at the old hospital are in great need of a piano. There are among the two hundred warrant officers, non-commissioned officers and men quartered there a number of good pianists and singers but they have no instrument. It is possible that some local person has a piano that is not in use that he would be willing to donate or loan to the soldiers. This would not be a very great sacrifice for the men are sacrificing much more than one hundred dollars each in giving their services to their country. Anyone wishing to donate or loan kindly notify the Daily News and arrangements will be made to fetch the instrument. tf.
