## British Navy Is Quickly Sweeping Seas Of German Craft; After Submarines

LONDON, September 8: (CP)—The British Navy is rapidly clearing the seas of all German shipping and has taken aggressive steps to bring an end to the submarine menace which, in the early days of this war as in the last, is taking considerable toll of Allied shipping. By modern methods of detection and destruction, however, it is anticipated that it will not be long before the U-boat will have been eliminated as a factor of any importance. An attack yesterday by British destroyers on a German submarine was successful, it is believed.

# Canada On Defensive, Says King

WILL BE NO CONSCRIPTION BY HIS GOVERNMENT, CANADIAN PREMIER SAYS—WILL SEND SUPPLIES AND MONEY—MANION NOT SATISFIED

OTTAWA, September 8: (CP)—Prime Minister William Lyon Mackenzie King, in the House of Commons today, repeated his assertion of last March that the government does not believe conscription is necessary in Canada and "no such measure will be introduced by the present administration."

Canada's armed co-operation with Great Britain and France for the present will be in defence of the Atlantic coast and Newfoundland, the Prime Minister said. Other co-operation would be in supplies and financial assistance.

Conferences with the allies would be necessary "before any intelligent and definite decision could be made as to Canada's action (in other theatres) even in the immediate future," Mr. Mackenzie King said.

Hon. Dr. R. J. Manion, Conservative leader, declared Canada is actually at war and he called upon the government "to declare openly and clearly our position." He did not think the speech from the Throne was sufficiently clear that Canada was at war on the side of Great Britain.

Dr. Manion had previously told the House that war against Germany was for the preservation of human liberty. He assured the government of full support of official opposition in co-operation with Russia.
