High School Dance Held

One Hundred and Fifty Young People in Attendance at Happy Affair Saturday Night

Students of Booth Memorial High School had a happy dancing party Saturday night at the Oddfellows' Hall. Some 150 young people were present and the merriment was in full swing from 8 p.m. until midnight. Jack Hopkins, president of the Students' Council, was master of ceremonies and excellent music was furnished by Cameron's Orchestra. One of the features of the evening was the introduction of the novelty dance "The Chestnut Tree." Refreshments, provided by the students, were served. The hall was attractively decorated with multi-colored balloons and streamers.

Principal and Mrs. Arthur Sutton and most of the members of the teaching staff were in attendance. The members of the staff present included Mr. and Mrs. Charles Hayward, Mr. and Mrs. T. L. Davies, Mr. and Mrs. James Clark, Miss Irene Mitchell, Miss Florence Wilson, Miss Isobel Waitts, Miss Jean Irvine, Miss May Jones, Miss Kay Robertson, Miss Ruth Hind, C. H. Leighs, W. W. C. O'Neill and W. H. Derry.

Mr. Sutton called for three hearty cheers for the Students' Council and one extra for the president. He thanked, on behalf of the students, all who had assisted with the arrangements for the happy party.

Keeping Faith In Remembrance

Allegiance to God's Principles Necessary to World Peace—Church Can Play Important Part

"If we would keep faith with those who fought and fell in the war of twenty-one years ago for the maintenance of such principles as permit us to gather in peace and order in God's house as we do here today, we must be steadfast in our allegiance to God and active and ready to sacrifice in His service," said Rev. H. G. Funston, pastor of First Presbyterian Church in a Remembrance Day sermon at the First Presbyterian Church. There was only one way in which permanent peace would come to the world and that was by establishment of godly and Christianlike principles. There appeared to be only one course now that war had started again and the pastor believed the course the country was taking today was necessary. However, at the end of the task there should be a new spirit, a spirit of goodwill and justice. Not only Canada, Great Britain and the Allies should be considered but all nations and it must be on that basis unless another twenty-one years was to be wasted like those that had followed the "war which was to end war." Mr. Funston stressed the importance of realization by church people that they had responsibility in a wider field than their own community. By living up to this responsibility an important part could be played in establishing world peace.

Fish Packers Hold Smoker

Enjoyable Affair Saturday Night in Eagles' Hall—Fine Program

The Federal Fish Packers' Union held a lively smoker in the Eagles' Hall Saturday night, the affair being very enjoyable to all. Vice-President C. E. Cumman was in the chair in the absence of President J. Taylor who was reported to be recovering nicely from illness.

Community singing was enjoyed and there were also songs and stories by the members. Norman Davies presided at the piano and Ed Colussi's accordion solos provided a popular feature. A surprise was the arrival late in the evening of Corp. Kilner and five members of the Sixteenth Canadian Scottish whose vocal numbers went over very well. Members also sang songs and told stories.

Dear Pick was in charge of the serving of refreshments.
