SPEECH WITH A PURPOSE

Some people when they heard or read the speech delivered by Prime Minister Winston Churchill yesterday felt very glum over the outlook. Probably this speech was delivered for the purpose of making the people of the United Kingdom redouble their efforts and also to bring home to the people of the United States the seriousness of the situation and need for their help in order to save the world from tyranny.

The condition is not worse than it was the day before he made the speech but the effect was depressing. It also may have had a stimulating effect on many people here who possibly have felt that there was nothing they could do. One of the chief needs just now is Red Cross supplies. Women can work and men can pay and thus help keep up the regular supply of the needed articles used in caring for the sick and wounded and in providing comforts for the men in the field.

It must be remembered that it is not only the British and French soldiers who had a bad time. The opinion is held that the Germans have lost more men than the Allies and especially airmen.

THE MONTH OF JUNE

'And what is so rare as a day in June' wrote the poet. It is a beautiful month, a wonderful month. Everything is growing. Flowers are blooming. The air is pleasant, not too hot and not too cold. Nature has done everything possible to make it the happiest month of the year.

And yet, here we are trying to kill each other. One or two ambitious men have inflamed the passion for power in their countrymen so that they are willing to spoil this wonderful earth of ours in order to secure for themselves something that has no value to them or to anyone else. It is a reversion to the savagery of our primitive ancestors.

MINE WORK GOES WELL

Encouraging Reports Regarding Dardanelles Property Near Terrace

TERRACE, June 5.—Encouraging reports are coming from Usk concerning the Dardanelles group of mining prospects. A tunnel is being driven to pick up the main

ore body that was exposed by the late Steve McNeil. Two shifts of about eleven men are working.

Last year the tunnel went in to 700 feet and exposed two mineralized veins, one at 300 feet with an average width of 2 feet and another at 550 feet with a width of 3 feet. It is expected to pick up the main ore body at about 1600 feet.

Fred M. Wells, the managing director, is expected in the district in the near future.

BEAVERS BEAT MAPLE LEAFS

Teams Again Tied for King Edward School Football League Lead

The Beavers won from the Maple Leafs by four goals to two in their regularly scheduled fixture in the King Edward School football league and are again tied with the Wanderers for the league leadership.

Play was even but the Beavers were the more dangerous and McGreish scored. Johansen added a second when Blake miskicked. The second half found the Beavers adding two more, both scored by McGreish, and then the Leafs woke up and Pilfold scored to be followed by a goal by Wilson.

For the Beavers Bond and Husoy were safe at back. Holkestad, Bert Prince and C. Pilfold were all good at half back with McGreish and Johansen the best forwards.

Hansen kept a fair goal for the Leafs. Blake was fair. Arntsen played a very good game and Sharpe and Sheppard were also good. Of the forwards Wilson and Pilfold were the pick.

Teams: Beavers—Ormiston; Bond, Husoy; B. Prince, Holkestad, C. Pilfold; Menzies, E. Pierce, McGreish, Murray, Johansen.

Leafs—Hansen; Blake, Rothwell, Sharpe, Arntsen, Sheppard; Wilson, Pilfold.

NAVY WINS OVER IRISH

Game Interesting And Well Contested Although Navy Beat Irish Three To Nil

FOOTBALL SCORERS

Dickens (Velvet) 1. Potter (Fusiliers) 1. G. Ferguson (Velvet) 1. Vink (Velvet) 1. Borland (Navy) 1. S. Scherk (Navy) 1.

A very interesting and well contested football match was played last night up on Acropolis Hill when the Irish Fusiliers met Navy. The game ended with a score of three to nil in favor of Navy.

Scoring opened when Allan Davies, Navy's centre half-back, played the ball well into the opponent's penalty area to Walter Ferguson who, in turn, drove the ball past the Fusilier's goalie, giving him no chance to save. The second goal was also registered by Ferguson when he converted a perfect cross by Navy's right winger, Norman Campbell. The Irish forwards pressed hard for a counter and were through several times but lacked the scoring punch and the half ended with Navy two up.

Second Half

In the second half Navy would have gone well into the lead if it had not been for Webb, the Fusiliers' goalie, who played spectacular ball, pushing and kicking the sphere out at all angles. The third score of the game came after about twenty-five minutes of play in the second half when Ferguson kicked the ball at the goal and it glanced off McWilliams, playing defence for the Irish, into the goal, this being a tough break for Webb.

The remaining fifteen minutes of play was fast and furious with many collisions and injuries. However Navy managed to remain on top until the final whistle.

Officials for the game were Henry Dickens as referee and Campbell and Baker as linesmen.

The standing to date in the City League competition is as follows:

Table with 6 columns: Team, W, D, P, A, Pts. Navy 2 0 0 8 0 4, Velvet 1 0 0 1 0 2, Dry Dock 0 0 1 0 5 0, Irish Fusiliers 0 0 2 0 4 0

Fraser Street And North Star Win In Softball Matches

In the Intermediate Softball League last night Fraser Street won over Dominion Dairy by a shut-out score of 14 to nothing with North Star winning over Dairy in the second game 5 to 4. As a result, North Star and Fraser Street are still tied for first place in the league standings. Next games will be played Saturday night with Fraser Street taking on both North Star and Dominion Dairy.

Hebb, the Dairy pitcher, was absent during the first game and this was a handicap John Good relieved for Hebb. Arney did a good pitching job for Fraser Street.

Hebb was, however, on hand for the second game which was well played by both sides. Simundsen pitched a good game for North Star.

Melbourne Bussey and Oliver Sinterbane were umpires of last night's games and the teams were: North Star—Zbura, Simundsen, Mah, Perkins, Pettenuzo, Mentenko, Astori, Hodgekinson.

Fraser Street—Postak, Arney, Gurvich, Killias, Bill Postak, Anderson.

Dominion Dairy—McLean, Gomme, Hebb, Good, Laurie, Laurie, Love, Barker, Cameron.

Commodore V. G. Brodeur R.C.N., commanding officer for the Pacific Coast of the Royal Canadian Navy; Engineer Commander G. L. Stephens and Lieut. Commander H. Kingsley arrived in the city by Royal Canadian Air Force plane yesterday afternoon to make a local inspection. The plane in which they travelled left this morning for Allford Bay, Queen Charlotte Islands, to bring in one of the Air Force men there who requires surgical treatment in the Prince Rupert General Hospital, having been stricken with acute appendicitis.
