## CONSCRIPTION

Events in Europe have forced the hands of the government of Canada and made it necessary to bring about conscription of all the man power and material resources of the country. That is a forward movement that is of great moment to the British Empire. It will be a great encouragement to the people of Great Britain and will show the world that the countries of the British Empire are a unit in the winning of this war.

While the government has power already to compel service, that power is not being invoked. Parliament will act and act quickly and it is expected that registration will commence very soon. Conscription of men will be for home service only but those who wish to do so may volunteer for overseas service.

Many people have felt that the government should have acted along these lines before this, but there was also a strong feeling against it in some quarters and only the evidence of real need has made the move necessary.

## EUROPEAN SITUATION

No person seems to know just what is the present European situation. It seems likely that France will accept the terms offered by the axis powers, although it is too soon to say exactly what is going to happen there. There are indications that the French Navy is putting itself beyond reach of Germany and, if reports to that effect are to be believed, many of the planes have flown across to Africa. Russia seems to be threatening Germany on the east and, if Russia goes in on the British side, so will Turkey. The Balkans seem to be divided.

Great Britain and the other Empire countries, including Canada, are determined to fight it out to a conclusion, confident that they can eventually win. In that attitude they have the backing of the United States to such an extent that they are accused of forming an Anglo-Saxon entente. Within a few days the outline of events should be clearer.

## FOOTBALL WAS DRAW

Dry Dock And Navy Play To Three All Score

Last night a well contested game of football was played between Dry Dock and Navy, the final score of the game being 3-all.

In the first half Navy had most of the play and were able to mark up two goals through neat headed work by Bob Brown, a new Navy find. Navy's first goal came when Brown headed in a perfect corner kick taken by Russell Cameron. About ten minutes later Brown converted another corner kick which was taken by Sonny Keays. Soon after Jimmy Woods scored for Dry Dock on a pass from Lindsay, this making the score two to one. Dry Dock continued to press for an equalizer but the whistle blew ending the first half with Navy stiff in the lead.

Shortly after the start of the second half Jack Lindsay snared a beautiful goal to put the game back on an even footing once more. Navy's third goal came when Chuck St. Dennis drove a stray ball into the Dry Dock goal, but their hopes of winning were soon shattered when Dry Dock's left winger dropped a high shot past Navy's goalie. From this point on Dry Dock had all the play but could not break the tie and the game ended in a three-all deadlock.

## SOCCER IS SCORELESS

Wanderers and Beavers Unable to Settle High School Issue

In the play-off for the King Edward School Football League championship yesterday the Wanderers and the Beavers staged a scoreless tie. Overtime was played but still there was no score so another game will be played to decide the winner.

The Wanderers did more pressing and Ormiston saved well, one high drive from Davis being a very good stop. Holkestad and Prince defended well and, finally, got their forwards away but E. Pierce finished weakly. Bond broke up a dangerous attack. Jerstad and Hebb were safe.

The second half found the Beavers having more of the game but Davies was hard to get past. F. Pierce went close and later missed a good opening after Haugan and Husoy had crossed a good centre. At the other end Bond and Holkestad were tested but cleared and then Ormiston had to go full length to save. Davis went close and Scherk had a good try.

Full time came with no score and, in the overtime, both teams tried hard but the defences were too strong.

Teams:  
Wanderers—Leland; Jerstad, Scherk; Dixon, B. Pierce, Hemmons, Skog, Matsumoto, Elliott.  
Beavers—Ormiston; Holkestad, Bond; C. Pilfold, B. Prince, Menzies; Johansen, Murray, E. Pierce, Husoy, Haugan.

## Norrington And Miss Berner In Tennis Victory

The final of the mixed doubles in the Prince Rupert Tennis Club championships was played off Tuesday evening and, after a very close match of about two hours' duration, C. J. Norrington and Miss Bernice Berner won over Andy Borland and Mrs. G. P. Tinker 6-2, 3-6, 7-5. Quite a large and interested gallery watched the match.

The men's doubles semi-final match between Norrington and Bellamy will be run off this Wednesday evening. This match should produce some close and interesting tennis.

Men's doubles final between Borland and Norrington and Lambie and Gwyer will be played Thursday evening and will be the best of five sets. Both teams are evenly match-
