PLEASED OVER CONSCRIPTION

J. S. Wilson Speaks On Behalf Of Canadian Legion

Reports that the Mackenzie King government is proceeding to introduce conscription will be received with immense gratification by the Canadian Legion, states J. S. Wilson, zone representative of the Canadian Legion for Northern British Columbia and a member of the provincial executive of the Legion. Mr. Wilson states that the Legion has consistently advocated the introduction of conscription in case Canada was at war.

This conscription would include conscription of all wealth and natural resources as well as man power. The recent Dominion convention of the Canadian Legion again stressed the need for conscription and a special committee was appointed to go to Ottawa to see the Prime Minister and bring all possible pressure to bear on the government to put it into force. Undoubtedly these recommendations have had effect.
