Bringing in one of the largest passenger lists she has ever handled including a considerable group of round trip tourists for Alaska as well as some Irish Fusiliers under Lieut. Col. J. N. Burnett here to augment the local garrison, C.N.R. steamer Prince George, Capt. H. E. Nedden, arrived in port at 11:15

TERRACE, June 26:—A wedding of much interest took place at Terrace on Thursday morning last when Miss Theresa DesJardins of Terrace became the bride of Corporal Pierre LeRoss of the Royal Canadian Artillery at Prince Rupert, Rev. Father Fabre, the parish priest, officiating.

The bride, who was given away by her father, was charming in a white satin wedding gown and veil and carried a bouquet of white roses.

She was attended by her sister, Miss Jean DesJardins, who wore blue satin with net overlace and a blue veil, shoulder length, and carried a bouquet of pink roses.

The bride's brother, John, acted as groomsmen.

A wedding breakfast was served at the home of Mrs. John Normandeau and a reception was held Thursday evening at the same house. The couple took the evening train for Prince Rupert where they will reside.

TERRACE, June 26: (CP)—The marriage took place at Terrace last Thursday of Miss Dorothy Head, second daughter of Mr. and Mrs. A. C. Head of Terrace, to Karl K. Knapp, principal of Terrace High School. The ceremony took place in the Terrace United Church with Rev. C. A. Hinchliffe, the rector, officiating.

The church had been prettily decorated for the occasion with blue and pink flowers, the color scheme being designed to match the blue ensemble which was worn by the bride who carried a bouquet of the same colors.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels, gas builds up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks pink.

A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of calomel but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

School Has Closing Day

Prior to closing day at the King Edward School for the summer an open day was held on Monday afternoon. There was a large attendance of parents and friends, over one hundred taking advantage of the opportunity to see the children in their rooms and samples of some of the work done during the year.

The most popular exhibits were those of drawing and manual arts. General comment indicated the appreciation of the parents of the newer and more humanistic treatment of many of the subjects. Coupled with this was a genuine admiration of the high standard of achievement by the pupils.

Two friezes, done by Grade Six pupils, depicting characters and incidents from "The Water Babies," proved something of a revelation to the visitors. Action songs by the beginners' class and choral numbers by the school choir were given in the music room.

Miss E. A. Mercer received the visitors.
