French Re-Occupying Positions in Somme-British Succeed in Counter-Attacking Furious Nazi Drive-Strategic Withdrawal in Belgium

PARIS, May 27: (CP)—The Allied military situation is improving "faster and better than any one could have imagined earlier in the week, General Maxime Weygand, commander-in-chief of the Allied forces, declared in a message broadcast out of Paris last night. "In a month France will be on the march to victory."

LONDON, May 27: (CP)— The the German corridor to the English OFF TO Air Ministry announced today that Channel, are reported to have octwenty-eight German aircraft had cupied "several villages and otner been destroyed or damaged by the points" on the Somme south of the

twenty of the enemy's planes were night said that the Germans during disposed of, the total for Sunday the day"violently attacked" French and Belgian forces on the flanks of Since May 10 the Germans have the British Expeditionary Force, the lost 2,000 planes it is estimated. British counter-attacking successfully in co-operation with French than double those of the Allies tanks. The communique said that the British front remained intact.

Apparently regardless of losses, the German commanders today + threw into the drive artillery and + infantry as well as dive bombers and armored columns. The French last night withdrew to new positions in the Valenciennes sector to straighten their lines while the Ger- + mans pressed the attack around Menin in Belgium. The battle continues with the Allies reported to be checking the offensive on the new . BERLIN, May 27: (CP)-
