ARMISTICE DAY HERE

Final Arrangements Made For Monster Parade And Big Banquet To Be Held Next Monday

The executive of the Prince Rupert branch of the Canadian Legion of the British Empire Service League was in session last evening making final plans for the various activities in connection with the annual Remembrance Day parades and the Armistice banquet. Owing to the large number of ex-service men now serving in the various units in town it is expected that a large demand will be made for the tickets. These may be obtained from any member of the executive or at the Legion clubrooms.

The banquet will be held in the Moose Hall as there is not enough accommodation in the clubrooms. Members of the executive from whom the tickets may be purchased and who were present at the executtive meeting last night were President D. G. Borland, H. A. Breen, Neil Cameron, Bert Ward, George Abbott, J. M. Walker, John Armstrong, S. A. Cheeseman, A. M. Davies, S. C. Thomson and C. L. Barker.

George Cripps, in charge of the Remembrance Day observance, went into full detail in explanation of the big parade planned for bigger than any held in the past. All military units are assisting as well as service corps and other organizations in town. Arrange-
