NEW MARINE MOTOR TESTED

British Admiralty Interested in Performance of Vessel Propelled by Explosion of Heavy Oil and Air in Cylinder.

The Daily Mail special correspondent on board the motor ship Selandia, on her run from London to Antwerp, described the performance, saying:
"There can be no question regarding the interest the British Admiralty is taking in this latest development of marine propulsion, for Engineer in Chief Vice Admiral Sir Henry Oram made the trip to Antwerp as a sequel to First Lord Churchill's visit to the vessel while she lay in the West India dock at London. Several famous steamship lines also had experts on board.
"There was a stiff southwesterly breeze when the Selandia manoeuvred out of the docks and into the river. The way she twisted her way through the traffic and windings of the Thames was a revelation in handiness.
"I could take her through the eye of a needle," said the river pilot. On Saturday night the wind freshened to half a gale but there was little movement and vibration was practically absent.
"It was in the engine room that the experts gathered. There are sixteen cylinders, eight on a side, absorbing and exploding a mixture of heavy oil and air. There is no bustle of greasers there and firemen for furnaces and boilers do not exist in the Selandia. In the great maze of machinery it is quite cool.

GREAT NAMES AT THE BAR

High Sounding Title of McBride Rings Out with the World Famed Cognomen Kelly in Court This Morning.

Great names were among those of the five delinquents who this morning toed the line before Magistrate Cars to answer to the terrible charge of "drunk and disorderly." There was Frank Fitzgerald, whose euphonious cognomen recalls days of ancient chivalry. Frank paid his five and costs as cheerfully as no doubt his ancestors charged at Hastings. There was E. Andy, less distinguished but as prompt with his five spot plus two. There was Alex. Swanson, ready to bow the quintuplet frilled. Joe Kelly, whose famous surname has sounded before a mark of tuncful interrogation all around the world, must unfortunately spend seven days in free lodgings for his little frisk. He had no cash. Last, but not least at this time surely, comes the great name of McBride. Mr. McBride - Mr. James McBride, to avoid confusion - admitted the soft impeachment and was fined five and two also. Never no more for this particular McBride.

YUKON PASS RATES

Company Will Voluntarily Make Material Reductions.

Vancouver, March 12.—It was announced this morning from the local offices of the White Pass & Yukon Railway that regardless of the judgment of the Board of Railway Commissioners of Canada, completely rescinding the order for the reduction of rates on the line, the Alaska and Yukon public may depend upon the White Pass & Yukon route to assist to every reasonable extent and the company will voluntarily make immediately a number of reductions and readjustments of certain rates with a view of assisting in the development of the country.
This news was telegraphed to C. J. Rogers, purchasing agent, by President D. L. Dickson of the Chicago, Burlington & Quincy Railroad.

Kubiak Won from Moran.

Albany, N. Y., March 11.—Al Kubiak beat Frank Moran, the Pittsburg heavyweight, in a 10-round bout here last night. Kubiak won every round by a wide margin, and in the eighth the bell saved Moran from a certain knockout.

WINDSOR HOTEL CASE UP TODAY

Further Adjournment Necessary - Witness McLean Has Not Reached Rupert Yet - Mayor Newton Attends Again.

No evidence was taken this morning in the Windsor Hotel case. The witness McLean, whose testimony is relied on by the prosecution to corry weight, as he was resident in the Windsor for a considerable time continuously about the time at which the offense charged is said to have taken place, has not yet been able to reach Rupert from up river.

Asquith's Majority.

The Asquith ministry should still have a majority of 114, counting Nationalists, Independent Home Rulers and labor members with the government. The general election of December, 1910, returned 272 Liberals, 84 Nationalists, 42 Labor and 278 Conservatives. Six seats have since been gained by the Conservatives, so that the representation is now 266 Liberals, 84 Nationalists (of whom eight are independent), 42 Labor and 278 Conservatives.

HAPPY HOUSE WARMING

Mr. and Mrs. J. E. Unwin Entertain in Newly Built Residence.

A bright and most successful house warming party was held the other night at the home of Mr. and Mrs. J. E. Unwin at their newly built residence on Summit avenue. About twenty friends were present and a pleasant time was spent with music, games and conversation. It will be remembered that Mr. and Mrs. Unwin, soon after their wedding, had their pretty little home destroyed by fire. The new home which they now occupy is larger and much improved on the same ground which has been the property of Mr. Unwin since the first sale of Prince Rupert lots.

Fort George Watch It Grow!

The Railway Commission has ruled that the depot must be located some distance west from the Fraser River on the Indian reservation. Do you see the point? It means the location of the depot right at the east part of the Fort George townsite, near Fraser avenue. This settles all controversies in regard to the value of the Fort George townsite and those who have followed us are going to reap a good profit on their investment. Lots are selling fast; there will be a tremendous boom at Fort George this year. WITH THE RAILWAY FROM VANCOUVER TO FORT GEORGE TO BE FINISHED IN THREE YEARS FORT GEORGE IS BOUND TO BE THE WINNER OF BRITISH COLUMBIA.
