Perry Williams was eliminated from the 100-meter dash in a semi-final at the Los Angeles Olympics eight years ago yesterday. Eddie Tolson, United States negro, won the heat, equalling the Vancouver star's world record time of 19.3 seconds set in 1931.

Larry O'Connor of Toronto's West End Y. M. C. A. track club flashed over the 110-yard hurdles to a new Canadian record at the Ontario track and field championship meet a year ago tonight. He broke the tape at 14.8 cutting two fifths of a second from the mark held by Earl Thompson.

LONDON, August 2. (CP)—English farmers' districts have been equipped with hand fire-fighting equipment for use in case the grain crops are set afire by German bombs from raiding planes.

**MANY ENTER GOLF PLAY**

JASPER PARK, August 1.—Never before in the fifteen year history of the Tocon Pole golf tournament has there been such interest in the event as there is this year. With the contest still a month away, Robert Somerville, manager of the Lodge, announced today that he has received 210 entries, which is all time record for the tournament. To be played this year September 1 to 7.

One of the features of the entry list this year is the fact that both the champions of last year will be back to defend their titles. Miss Barbara Winn, the long hitting star from Broadmoor Country Club, Seattle, has filed her entry again as well as Donald Thompson, of Portland, who won the famous tocon pole last fall. This adds special interest as both players proved themselves decidedly popular last year and both were outstanding golfers.

There is a strong contingent coming in from the United States with thirty of the players from Portland and Seattle, on the Pacific Coast. San Francisco will be represented by three players while for the first time, two players are registered from Kalispell, Montana.

Vancouver heads the list of Canadian cities with 64 and Victoria is next with 46. Calgary furnishes 25 entries with Edmonton following close behind. Saskatoon, Winnipeg, Regina, MacLeod, Trail and other cities in the West supply the balance.

Competition this year promises to be the hottest on record as included in the entries are many who have reached the finals and the semi-finals in recent years.

Greenskeeper Brinkworth, who was awarded the gold medal of the American greenskeepers association a year ago, has the course in excellent condition this year. The greens are being mowed every day and the grass is being fertilized.

The Tocon Pole tournament has long been popular and this year the event has reached an all time record.

BRITISH PATROL PLANES LOADED WITH DEATH

Mechanics of the Royal Air Force, left, load thousands of rounds of machine-gun ammunition in the magazines of a Spitfire pursuit plane at a fighter station in England. These swift pursuit ships are largely responsible for the safety of the English coast from enemy airplanes. After loading the machine-guns of one of the Spitfires, "Sparks" right, watches a plane take off for observation duty. Draped around his neck is a "necklace" of bullets which are meant for enemy raiders.

HIS POWER ASTONISHING

Henry Armstrong, King in His Class, Continues To Down Strong Contender

BY DILLON GRAHAM  
Associated Press Sports Writer

NEW YORK, August 2. (AP)—Boy, throw away that obituary of Henry Armstrong. The gay's gonna live forever.

Every time a pretty tough cookie comes along the fellows drag out those sketches of Hemmerling, Hennessy's career and add a few lines saying that a fast pace and old Pop Time catch up with everyone and now it's Hennessy's turn. He was a great little guy but the end has come for all of them, etcetera.

And then, begorrie, Hankus goes out and kicks the stuffings out of the tough cookie—and whose faces are red?

Hank did it again recently, polishing off Lew Jenkins, our new world lightweight champion, in just six beats. Lew, the terrible thumper from Texas, felt too terrible to take any more thumpings.

The welterweight champion fought a smart fight. He covered up while boring in during the first three rounds and let Lew wear himself out swinging. Then, when he began to stumbe that the Panhandle Puncher had lost some of his zip, Hank turned on all his guns and the ex-cavalryman found that Armstrong's speed and power was too much.

He Can Take It  
After the fight, Pat Eddie Mead, the negro's manager, said: "Henry's got too much down here," pointing to his heart.

FINE GAME OF SOCCER

Dry Dock Beats Fusiliers 3 to Nil in One Of Best Games Of Season

Last night Dry Dock and Irish Fusiliers played one of the finest football games of the season. The outcome of the game was a three to nothing win for Dry Dock.

There was no score in the first half although both teams came close several times.

After ten minutes of play in the second half, Dick Burnett, Dry Dock centre forward, gathered the ball from a scrimmage and scored on a well placed shot. The second goal of the game was the prettiest shot made this season, the honor going to Jim Currie, who played bung-up ball at centre half position. The shot was a long drive from about the centre of the field.

Nick Pavlikis was responsible for Dry Dock's third goal. The Irish team, although unable to score, put up a fine game and deserved credit for good sportsmanship.

The referee for the game was Corporal Scaddan of the Fusiliers. The Gully Cup standing to date:

Team	W	D	L	F	Pts
Velvets	2	0	0	8	4
Dry Dock	1	1	1	6	4
Fusiliers	0	1	2	3	1

disappearance safe from Armstrong. He can beat the little fellows. He just knocked out the lightweight champion and is undisputed ruler in his own welterweight class. And he fought a draw with Garcia when the bold-puncher was a ddleweight champion. He probably would have outpointed him if he hadn't lost several rounds on fouls.

Henry took the best Jenkins and Cefertino Garcia could toss. Garcia had him in trouble but he bobbed away. He has been cut up but none of the others have had him anywhere near a knock-out. The day is unbelievable.
